Re: Irvin Dana Beal

On October 19, 1964, [REDACTED] East Lansing, Michigan, Police Department, advised that Beal, who is currently being sought as a "walk away" from the Kalamazoo State Hospital, Kalamazoo, Michigan, should be considered for attention by Secret Service because of his negative attitude toward duly constituted authority, law enforcement officers, and life in general. In addition, his present mental condition should likewise be considered.

Beal came to the attention of East Lansing authorities on January 13, 1964, on which date he was observed at about 3:00 a.m. in an all-night laundromat prying on a coin change machine with a straightened coat hanger.

While being questioned by the officers on his activities, it appeared that he did not fully understand what was taking place and seemed to act in a "strange manner". [REDACTED] was contacted and [REDACTED] advised that Beal "lives in a world of his own and is in need of medical assistance." [REDACTED] further advised that the administration officials of Eastern High School, where Beal was in attendance, [REDACTED] stated that [REDACTED] was in need of mental help as soon as possible.

[REDACTED] advised that in view of the above, the case was dismissed against Beal and he was referred to the "Big Brother Movement" for assistance.

Re: Irvin Dana Beal

According to [REDACTED] on February 19, 1964, Beal again came to the attention of the East Lansing Police Department at approximately 10:31 p.m. Beal was observed standing between the double glass doors at the main entrance of the College Drug Store, East Lansing, and upon being confronted by officers, he immediately became hostile and said that he was not causing any difficulties when asked what he was doing. The owner of the drug store advised that Beal had rattled the door after closing hours and shouted that he wished to make a purchase. The owner advised him that the store was closed and Beal insisted that he would not leave the premises until his request of purchase was honored. Beal advised the officer that he was fully aware that the store was closed, but that he felt that people should be "flexible" and not so bureaucratic and should serve the public when called upon to do so.

Beal, despite the fact that he was not under arrest, stated that he wanted counsel, that the statements he already made regarding the incident were against his will and when told he was not under arrest, and was free to go, he stomped out of the police station.

[REDACTED] stated that at 12:15 a.m. on October 13, 1964, Beal, subject of state police message 5485 as a "walk away" from the mental hospital at Kalamazoo, was observed by East Lansing officers on the streets of East Lansing. Beal observed the officers and began running and in the chase through the streets of East Lansing, Beal lost his coat. Examination of the coat showed that he was carrying a book entitled, "A History of Western Philosophy" in which was a pamphlet by Chou Yang, entitled, "The Fighting Task Confronting Workers in Philosophy and the Social Sciences" printed in Peking, China. In addition in his jacket was a

piece board card entitled, "Rally to Oppose the Rising Threat of Facism" announcing a meeting at Manhattan Center, 34th Street and 8th Avenue, city not given on Thursday, October 15, 1964.

[REDACTED] advised that so far as he knows, Beal is still at large and has not been apprehended.

YOUTH INTERNATIONAL PARTY

On July 30, 1971, at approximately 9:30 A.M., the Madison Resident Agency of the FBI, Madison, Wisconsin, received an anonymous telephone call, wherein the caller requested to speak to Special Agent [redacted]. The caller advised that a package containing information concerning explosives had been left at the Town and Campus Motel in Madison. When asked what it concerned, the caller stated, "Free Dana within two weeks," and hung up.

Leaving Dana Beal

Beal is publicly known as a self-identified leader of the Youth International Party (YIP), who is presently incarcerated at the Dane County Jail, Madison, Wisconsin, on Federal and local narcotics charges.

YOUTH INTERNATIONAL PARTY

The Youth International Party, also known as Yippies, is a loosely knit, anti-establishment, revolutionary youth organization formed in New York City in January, 1968.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

YOUTH INTERNATIONAL PARTY

On the same date, [redacted] Town and Campus Motel, 441 North Frances Street, Madison, was contacted and advised that at approximately 9:30 A.M. today, two white males entered the motel. One of these persons approached his desk, while the other waited near the door. The person who approached his desk stated he was to meet [redacted] who was a registered guest at the motel. [redacted] stated he checked the register and advised the person there was no guest of the motel by that name. The person then told [redacted] that Madden would be checking in and asked to leave a manila folder for Madden, as he could not wait to meet him. [redacted] accepted the folder from this person.

[redacted] described the person to whom he had talked as follows:

Race	White
Sex	Male
Age	20 to 25 years
Height	5 feet 10 inches to 6 feet
Weight	160 pounds
Hair	Light Brown, shoulder length
Attire	White T-shirt and blue jeans
Remarks	Clean shaven.

[redacted] described the other person as a white male, 20 to 25 years of age, with brown medium length hair, and a short beard. [redacted] said he could probably identify a photograph of the person who gave the package to him; however, he did not think he could identify the other person, who had stayed near the door of the motel.

[redacted] made available the manila folder he had accepted from the unidentified male individual. This folder is described as salmon in color, 9½ x 12 inches, with "FREE DANA YOU HAVE TWO WEEKS YIP" and a drawing of a bomb and fuse appearing on the outside. Inside the folder were xeroxed copies, consisting of 43 pages of a booklet entitled, "Underground Manual Number Three."

YOUTH INTERNATIONAL PARTY

which contained information regarding the manufacture and use of explosives and incendiary devices used in guerrilla warfare.

Also included inside the folder was a two-page handprinted letter, which reads as follows:

"People You have been given a booklet with this note in which because we are leaders will therefore this info will be useful to you. There are a number of other pamphlets of this serious text series being put in the press to be mass produced in the USA You will find the one on Urban G Tactics extremely int. If you would like a rep of blood circus in your town or would like more copies of this text come over to my place. No calls as I don't want my name go over the phone. You should know my ad. but in case not 225 Lakelawn Place, Madison, Wisconsin PS Destroy this after reading. Thnx."

Also contained on the second page of this letter is the handprinted name in different colored ink, "RICK MADDEN," above the address 225 Lakelawn Place.

The reverse side of the folder contained doodles and innocuous words.

On the same date, at approximately 9:40 A.M., a telephone call was received at the Madison Resident Agency, wherein an anonymous female caller asked for Special Agent [REDACTED]. The caller was advised that he was not available, whereupon the caller stated that the package containing information on explosives was left for Madden at the Town and Campus Motel and it concerned "Oana Beal". The caller then hung up.

YOUTH INTERNATIONAL PARTY

On July 31, 1971, at approximately 2:30 A.M., a telephone call was received at the Madison Resident Agency, wherein the caller refused to identify himself. The Special Agent of the FBI, who answered the telephone, did not identify the agency, and when the caller asked for [redacted] the Agent inquired as to who was calling. The caller asked, "Is this the FBI?" and the Agent then again asked the caller to identify himself, at which point the caller hung up.

On August 3, 1971, photographs of known members of the Madison Youth International Party (YIP) Chapter were displayed to [redacted] supra, with negative results.

On August 6, 1971, [redacted] of the Madison Police Department, advised that on Friday, July 30, 1971, several known members of the Milwaukee, Wisconsin YIP Chapter were reportedly observed in Madison.

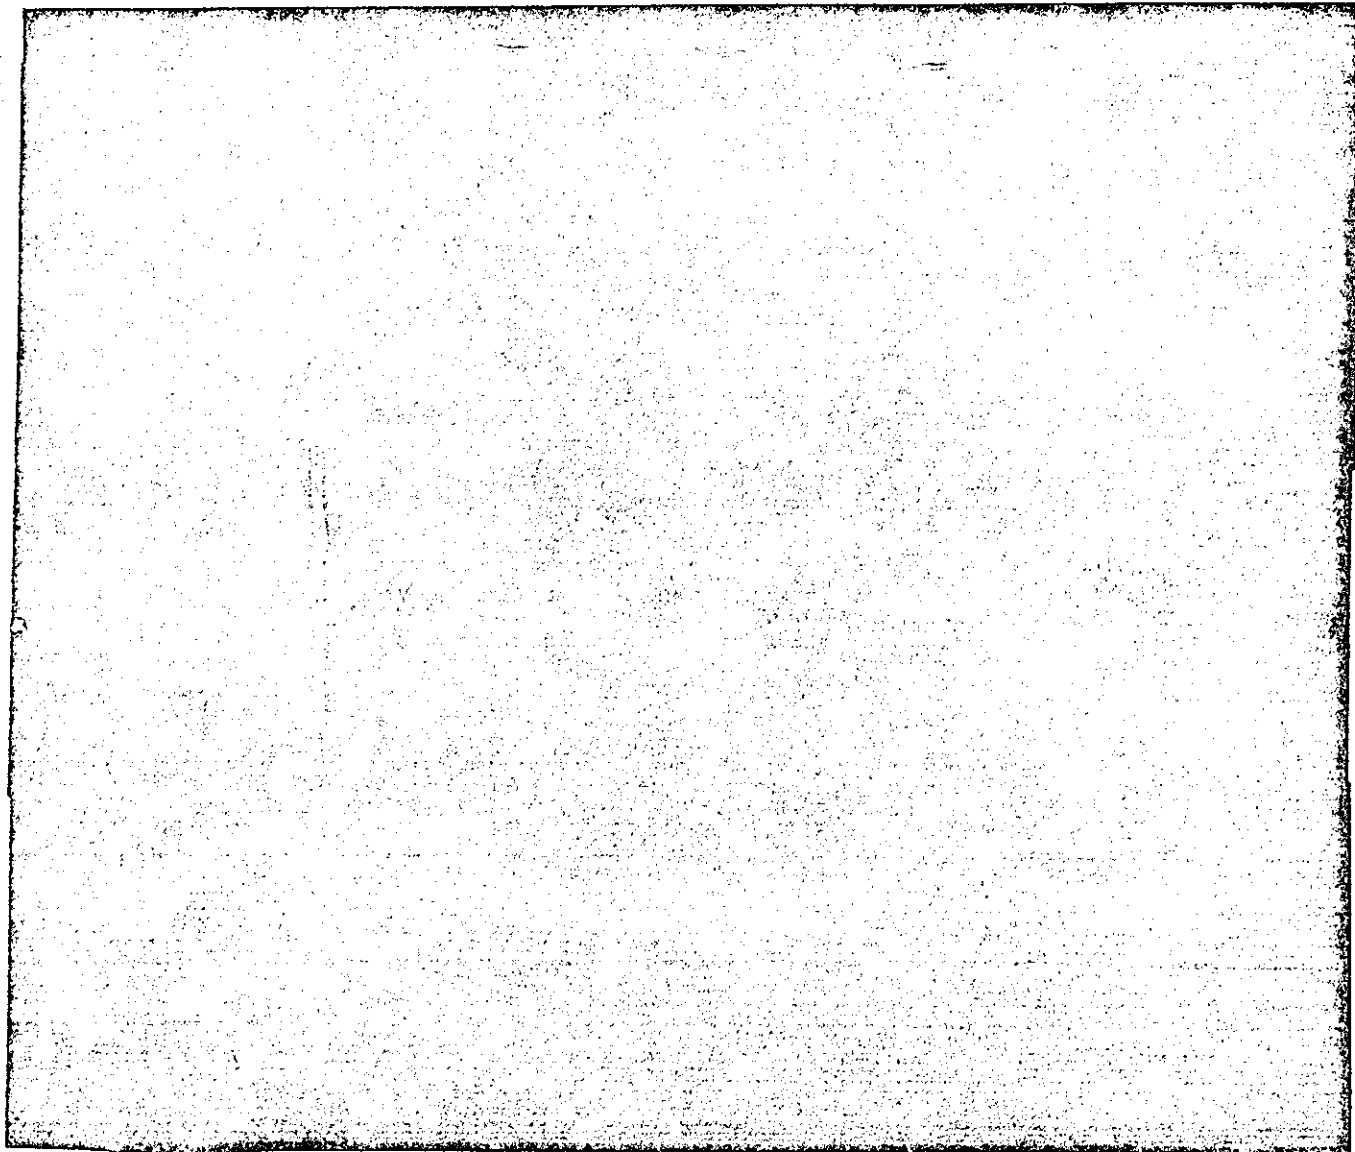

On August 7, 1971, a first source, who has furnished reliable information in the past, advised that Kenneth Fisher, who is also known as "Fish," and Rick Madden has not been seen in Madison recently and allegedly left Madison, two to three weeks ago with Debbie Mayer, a 16-year old female. Source advised Fisher was active during the YIP National Convention, held in Madison, during the first part of April, 1971.

[redacted]

YOUTH INTERNATIONAL PARTY

On August 8, 1971, at approximately 5:48 P.M., a telephone call was received at the Madison Resident Agency, wherein the caller did not identify himself; however, he stated, "Will you tell [redacted] his two weeks are almost up. He'll know what it's about. Thank you." The caller then hung up.

YOUTH INTERNATIONAL PARTY

On August 9, 1971, [REDACTED] Dane County Jail, Madison; [REDACTED], Dane County Sheriff's Office; [REDACTED] Madison Police Department; and [REDACTED] Dane County District Attorney's Office, were contacted, and they all advised that they have received no threats or communications in connection with the incarceration of Beal.

YOUTH INTERNATIONAL PARTY

Confidential sources and informants, who have furnished reliable information in the past, and who are familiar with YIP activities at Madison and Milwaukee, Wisconsin, were contacted during August of 1971. All advised they could furnish no information concerning a possible bombing or the identity of the person or persons telephoning the Madison Resident Agency of the FBI.

The above information was made available to Security Supervisor [REDACTED] by me between 2:30 and 3:00 P.M., 8-20-71. [REDACTED] indicated it was apparent Secret Service, Milwaukee, was already cognizant of this information as Secret Service Agents had just departed his office after discussing similar information with him.

On 8-21-71, the writer was telephonically contacted by SAC EDWARD J. HAYES to ascertain if I had contacted [REDACTED] on 8-19-71. The writer advised SAC HAYES that it had been impossible for the writer to have received this information or made any such contact on 8-19-71, as the writer was at firearms for the entire day of 8-19-71 and had no contact with [REDACTED] on that day. I explained I did contact [REDACTED] on 8-20-71.

On 8-23-71, the writer contacted [REDACTED] who verified that the information in the above-mentioned [REDACTED] had not been made available to anyone in the Milwaukee FBI Office prior to the time it was given to the writer on 8-20-71.

(EXTREMIST)

Pursuant to your request, I have prepared the following memorandum, with respect to my contact by U. S. Secret Service Agents, Milwaukee, Wisconsin, on 8/20/71:

During the approximate time of 2 to 3 p.m., on 8/20/71, SA [REDACTED] and SA [REDACTED], U. S. Secret Service, Milwaukee, Wisconsin, visited the writer in his office. When arriving in my office, Agent [REDACTED] indicated that Secret Service, Milwaukee, had received a fourth-handed rumor to the effect that captioned subject, along with his girl friend, KATHY MORALES, was involved in a plot to kill the President of the United States.

SA [REDACTED] requested of the writer any background information from our files concerning BEAL and MORALES. SA [REDACTED] immediately obtained the files for the aforementioned individuals and made available to the U. S. Secret Service Agents all pertinent information contained in these files.

Agent [REDACTED] then requested the writer to obtain current photographs of both BEAL and MORALEZ and as a result of this request and while the Secret Service Agents were still in this office, I contacted the [REDACTED] and issued instructions that these current photographs should be obtained from [REDACTED] and forwarded to headquarters city immediately.

During the course of the conversation between the writer and the U. S. Secret Service Agents, the Secret Service Agents, at no time, divulged their source of information. However, statements made by the Secret Service Agents clearly indicated to the writer that their source of information was obviously [REDACTED]

[REDACTED]

Shortly after the departure of the U. S. Secret Service Agents from my office, SA [REDACTED] entered my office and advised me that on this date he had privilege to read a memorandum [REDACTED]

[REDACTED]

[REDACTED] concerning a plot to kill the President of the United States. I immediately advised SA [REDACTED] that it was obvious to me that Secret Service, Milwaukee, was already in possession of this information, inasmuch as they had just departed my office and that although not identifying their source their comments clearly indicated they had personal knowledge of this memorandum.

At approximately 11:30 a.m., on 8/21/71, the writer was telephonically contacted by SAC EDWARD J. HAYES and was instructed to report to the Milwaukee FBI Office in order to attend a conference with U. S. Secret Service, Milwaukee.

SAC HAYES and SA [REDACTED] at approximately 12:30 p.m., 8/21/71, met with SAC ROBERT BURKE and SA [REDACTED] and SA [REDACTED] in the offices of SAC HAYES, Milwaukee.

[REDACTED]

I indicated that subsequent to the visit of the Secret Service Agents to my office on 8/20/71, SA [REDACTED] of our office came in to me with similar information.

SAC BURKE advised that in his contact with [REDACTED] had indicated to him he had furnished this information to SA [REDACTED] on 8/19/71; however, SAC BURKE was immediately advised by SAC HAYES that SA [REDACTED] could not have received this information on 8/19/71, inasmuch as SA [REDACTED] spent the entire day at the Firearms Range.

Also during the course of this meeting, SAC HAYES advised SAC BURKE that the FBI was not conducting any investigation regarding this matter and SAC BURKE then commented that the U. S. Secret Service would conduct an investigation.

[REDACTED]

The primary reason for the visit of SAC BURKE was to make certain we were not conducting a conspiracy investigation, and, if so, Secret Service would conduct no investigation. Upon leaving the meeting, which lasted about 20 minutes, SAC BURKE indicated [REDACTED] was at fault for failure to advise the Secret Service. He indicated that as far as we were concerned, there was no problem.

Pursuant to Bureau instructions, the following memorandum concerning captioned matter is being submitted:

At approximately 11:30 A.M., 8-21-71, I received a telephone call from Mr. ROBERT BURKE, SAC, Secret Service, Milwaukee. He advised that his office had received information concerning a possible plot to assassinate the President; that apparently we had received similar information, and he was desirous of ascertaining jurisdiction before proceeding with an investigation. He asked if I could meet with him. It was agreed that this meeting would take place in 45 minutes in my office.

Subsequently, Supervisor [REDACTED] of the Milwaukee Office and myself met with Mr. BURKE, accompanied by Special Agents [REDACTED]. BURKE mentioned the fact his Agents met with SA [REDACTED] the previous day. BURKE advised that a source of the Secret Service, [REDACTED] furnished Secret Service with information to the effect Subj. BEAL and KATHY MORALEZ might possibly be involved in a plot to assassinate the President. He advised that based upon the receipt of this information, he sent Agents [REDACTED] to see [REDACTED] on 8-20-71, to ascertain if we had any information concerning this matter. He said the Agents were told by [REDACTED] that our files were negative concerning this allegation. I explained to him that this was true, that there was no information in our files concerning this allegation.

Mr. BURKE said that he contacted a [REDACTED] the night of 8-20-71, and was shown a memorandum which [REDACTED]

[REDACTED] in effect stated that the federal authorities were aware of this plot. BURKE was of the opinion [REDACTED]

[redacted] advised this office of this matter prior to July 30
[redacted]

Mr. BURKE indicated that he didn't think [redacted] had advised us, because he knew from past experience that immediately upon receipt of information of this nature, his office was advised by the Milwaukee FBI Office. He stated further his primary reason for visiting us was to make certain that we did not have a conspiracy investigation under way concerning BEAL, KATHY MORALES and others prior to Secret Service initiating an investigation of this matter. Both Supervisor [redacted] and myself indicated we had no such investigation, and that he was free to do whatever he wished and that we would provide him any assistance we possibly could.
[redacted]

It was then indicated to BURKE that SA [redacted] was in contact with [redacted] on the late morning of 8-20-71. [redacted] on [redacted] and [redacted] allowed [redacted] to read the memorandum of July 30, which mentioned a plot to assassinate the President, and the "Feds were already aware of this plot." Supervisor [redacted] told BURKE that this was subsequent to the meeting Secret Service agents had with him on 8-20-71. BURKE then indicated that it was his understanding that [redacted] had furnished information concerning this matter to SA [redacted] on 8-19-71. I explained to him that this was not possible, as [redacted] was at firearms on this date.

The entire meeting with Secret Service representatives lasted approximately 15 to 20 minutes, was amiable and as BURKE was leaving my office he expressed no concern and stated that he was primarily interested in getting an investigation under way. He also commented that it was quite apparent that [redacted] was at fault for failing to notify Secret Service of this matter.
[redacted] but apparently there was a breakdown. We readily agreed with him.

I immediately contacted SA [redacted] telephonically to ascertain if he had been in contact with [redacted] on 8-19-71. He advised that he had not as he was at firearms that date. A check of SA [redacted] #3 locator card for August 19 and 20 discloses [redacted] at firearms on 8-19-71, and at [redacted] the morning of 8-20-71. To advise you of SAC, Milwaukee's, refutation of a Secret Service allegation that the Milwaukee FBI Field Office had information on 8/19/71 of a plot to assassinate President Richard M. Nixon and did not, at that time, make the information known to Secret Service.

BACKGROUND:

Mr. Richard Force, Liaison, Secret Service, Washington, D. C., on 8/23/71 advised that on 8/20/71 Secret Service received information (source not identified) that Irving Dana Beal and Kathy Morales were involved in a plot to assassinate the President of the U.S. On the same date, this information was furnished to the Milwaukee Office of the FBI and information contained in the Milwaukee FBI files concerning Beal and Morales was furnished to Secret Service.

Force advised, later on 8/21/71 a conference was held at the Milwaukee FBI Field Office by SAC Edward Joseph Hayes and Supervisor [redacted] with SAC Robert Burke of Milwaukee Secret Service and two other Secret Service Agents at which time the complaint was made that the FBI had possession of information concerning the assassination plot on

8/19/71 and failed to advise Secret Service. According to Force, during this conference either SAC Hayes or Supervisor Schroeder stated that SA [redacted] had been advised of the plot [redacted]

[redacted], "led [redacted] to assume that Secret Service was aware of the threat.

SAC Hayes, after notification of the Secret Service allegation, by teletypes 8/23/71 and 8/24/71 denied the allegation and stated that SA [redacted] received the information from [redacted] on 8/20/71. SA [redacted] could not have received the information on 8/19/71 since, on that date, he was at firearms training. [redacted] upon his return to the Milwaukee Office in the afternoon of 8/20/71, furnished this information to Supervisor Emil L. Schroeder who informed him that the information was known to Secret Service, as they had made inquiry of the Milwaukee Office sometime earlier that day at which time they were furnished results of a file review. [redacted]

Regarding the conversation of SAC Burke of Secret Service at the FBI Field Office, SAC Hayes advised that Burke alleged that this information had been furnished to the FBI by [redacted] prior to 7/20/71. Burke was, at that time, advised there was no record of any such report and the FBI Milwaukee Office received no information concerning the alleged plot prior to 8/20/71. On 8/23/71 contact was made with [redacted] who advised he did not furnish the information concerning the alleged plot prior to 8/20/71. SAC Hayes avers allegation that Milwaukee Office did not notify Secret Service of plot based on [redacted] is untrue [redacted]

[redacted]

SAC Hayes is of the opinion that Secret Service was misinformed by [redacted] that the FBI had been advised prior to 8/20/71 of the contents of the memorandum.

I. BACKGROUND

Birth Data

The records of Bureau of Narcotics and Dangerous Drugs (BNDD), formerly known as Bureau of Drug Abuse Control (BDAC), United States Department of Justice, 90 Church Street, New York, New York, reviewed by a representative of the Federal Bureau of Investigation (FBI), disclose that IRVING DANA BEAL was born January 9, 1947, at Ravenna, Ohio.

Citizenship

IRVING DANA BEAL, in view of his birth as set forth above, is a citizen of the United States.

Current Residence and Employment

[REDACTED] advised on [REDACTED] that IRVING DANA BEAL is currently an inmate at the Dane County Jail, Madison, Wisconsin.

Arrest Checks

On May 6, 1971, records of BNDD, supra, were reviewed by a representative of the FBI, and the following arrest information, pertaining to subject, was obtained:

The BNDD file further reflects IRVING DANA BEAL was arrested August 22, 1967, in New York City, by BDAC Agents for violation of 18 USC 111, 21 USC 321 (q) (2) and 21 USC 331 (8) (3). Concerning this arrest, BEAL, then residing at 41 East Third Street, New York, New York, and employed as a newspaper distributor for the "East Village Other" located 147 Avenue A, New York, New York, was arrested on charge of selling 48 capsules of LSD, resisted arrest and assaulted BDAC Agent. BEAL appeared before United States Magistrate CLAYTON D. HOLLINGER, and a hearing was set for September 11, 1967. BEAL failed to appear, and a Bench Warrant was issued on January 31, 1968, for his arrest. Wanted notices were placed by BDAC with New York City Police Department and FBI.

BEAL's FBI Identification Record, FBI Number 108 504 F, indicates he was arrested January 13, 1964, by the East Lansing, Michigan, Police Department for attempted breaking and entering of a coin machine, arrest number 18C-64, and that he was listed by the State Hospital, Kalamazoo, Michigan, on September 9, 1964, as an escaped patient.

The BNDD file reflects [REDACTED] of State Hospital, Kalamazoo, Michigan, advised SA [REDACTED] BDAC, Detroit, Michigan, in December, 1967, that BEAL was admitted to that Hospital in June, 1964; in September, 1964, he escaped, but returned; in January, 1966, BEAL was released from the State Hospital as sound of mind. [REDACTED] stated that BEAL was not suffering from any mental illness during his stay in the State Hospital, and in his escape, used no violent means.

On February 16, 1971, [REDACTED] Bureau of Identification, Milwaukee Police Department, Milwaukee, advised a review of the files of this agency reflect that subject, using the alias of PAUL CHARLES AUGUSTIN, was arrested November 12, 1970. This arrest was the result of a narcotics raid conducted by the Milwaukee Police Department at 2545 North Oakland, Milwaukee. Subject was released on \$500 own recognizance bond and subsequently failed to appear at a scheduled judicial hearing at which time he was declared a State Fugitive.

On February 16, 1971, [REDACTED] Bureau of Identification, Milwaukee County Sheriff's Office, Milwaukee, Wisconsin, advised a review of the files of this agency failed to reflect an arrest record identifiable with subject.

On [REDACTED] advised that subject was arrested on July 14, 1971, by the Madison, Wisconsin, Police Department on a local felony warrant, charging BEAL with two counts of selling hashish. At the time of arrest, BEAL had in his possession a large quantity of hashish, and because of this, another felony charge was filed against him for possession of hashish with intent to make a sale.

MI 100-17687

Further, at the time of arrest, subject was accompanied by KATHLEEN ANN MORALES.

KATHLEEN ANN MORALES

B APPROX

[REDACTED] advised on August 24, 1971, that KATHY MORALES is a white female, approximately 16 years of age, who is the girl friend of IRVING BEAL and has been BEAL's traveling companion.

Source advised that subsequent to subject's arrest in Madison, the Milwaukee Police Department forwarded a felony warrant to the Madison Police Department as a detainer against BEAL, charging him with two counts of selling LSD in the Milwaukee area (a felony). Further, a felony detainer was placed against subject for the Federal narcotic warrant, charging him with violation of the following Federal Statute:

Title 21, USC-331, (a)(2), 36 a (b), 321 (b), and 333 (a).

Source advised subject is awaiting court appearance for the local Madison charges, and after the local matters have been handled, subject will face an extradition hearing to New York City, where, if extradited, subject will appear on the Federal charges.

II. BEAL'S ACTIVITIES ON BEHALF OF THE YOUTH INTERNATIONAL PARTY

The [REDACTED] have advised that during the period [REDACTED] through [REDACTED] subject attended [REDACTED] meetings of YIP, with the meetings being held both in Madison, and Milwaukee, Wisconsin.

[REDACTED]

MI 100-17687

[redacted] advised on [redacted] that the "New Nation Conference," sponsored by YIP, was held in Madison, Wisconsin, during the period of [redacted] through [redacted], with subject in attendance. Source stated that subject was [redacted] the Conference [redacted]

"The Milwaukee Journal," a newspaper published daily in Milwaukee, Wisconsin, contained an article on July 26, 1971, captioned, "Suspect in Madison a Leading Yippie." This article reads, in part, as follows:

"Dana Beal, the former radical leader in New York's East Village who was arrested in Madison, Wis., last week on charges of being a marijuana dealer, is a major theoretician and behind the scenes leader of the underground youth movement.

"Interviews with spokesmen of the movement have stripped away the elaborate system of aliases Beal has used since jumping bail on drug charges in New York in 1967.

"Beal, 24, was named by these spokesmen as a founder of several radical youth groups, including the Yippies, and as organizer of many "pro-pot" demonstrations, such as the second annual smoke-in and anti-CIA heroin march held in Washington July 4.

"His friends and associates identified Dana Beal - he does not use his first name, Irving - as one of the first movement writers to argue for a merger of political radicalism and the psychedelic life style.

"Abbie Hoffman and Jerry Rubin, Yippie leaders and authors who garnered national attention during the 1968 Democratic convention demonstrations, both agreed in separate telephone interviews that Beal was an important figure in the movement.

"'He is a unique blend of a street person and a theoretician,' Hoffman said. 'His writings are far more important and impressive than people like me and Jerry Rubin.'

"Rubin said Beal's writings 'were a strong force in helping us understand who we are.' He asserted that Beal was such an important symbol that local and federal law enforcement agencies specifically sought to catch him dealing in drugs.

"Hoffman and Rubin identified Beal's most important pieces as 'Right On Culture Freaks' and 'Weather Yippie,' which were reprinted in more than 100 underground newspapers in this country and abroad.

"The articles called for more militancy on the part of young radicals but criticized the elitism and lack of humanity that Beal saw in the more violent radical groups.

"His associates said that Beal preferred to organize 'alternative culture actions' to highlight his beliefs rather than get involved in bombings or violent confrontations.

"A. J. Weberman, an unofficial biographer of singer Bob Dylan, said that it was while attending New York University night school that Beal first became convinced of the importance of psychedelic drugs to youth politics.

MI 100-17687

"His first paper was on the effect of LSD on the politics of hippies, and he decided acid radicalized them," Weberman, a former roommate of Beal, explained in a telephone interview.

"When Beal was arrested by federal narcotics agents in New York in 1967 his friends marched through lower Manhattan and raised \$3,000 to bail him out. He was arrested a second time, shortly afterward, and then disappeared from the city.

"Beal, changing aliases about once every six months after the second arrest, turned up in various places on the continent from Mexico to Canada. He was connected with the White Panther Party and several other radical groups in the Midwest.

"He was arrested in several cities on drug charges but managed to jump bail each time before coming to trial.

"His most recent arrest occurred as he was hitchhiking out of Madison on July 14. The first car to stop was that of plainclothes detectives who were seeking Beal on a 1970 charge of selling hashish.

"Beal is charged with selling dangerous drugs (marijuana) and possession with intent to sell dangerous drugs (marijuana). Bail has been set at \$8,000. A preliminary hearing was continued last week and is tentatively set for Thursday.

"Madison police said they found 69 bags of marijuana in Beal's Suitcase and, in addition, a Bureau of Narcotics and Dangerous Drugs agent said his agency, New York City police and a number of other local and federal law

MI 100-17687

enforcement groups had warrants against Beal.

"Within hours of his arrest, underground leaders were organizing defense plans for Beal.

"In an interview with reporters Thursday in his jail cell, Beal was chagrined over his latest incarceration.

"I should have taken the bus, but it was such a beautiful day I let my guard down," he said."

The "Milwaukee Sentinel," a newspaper published daily in Milwaukee, Wisconsin, contained an article on July 31, 1971, captioned, "Kunstler to Defend Yippie in Test Case." This article reads, in part, as follows:

"New York Atty. William Kunstler, who contends drug laws are being used to curb radical political movements, said Friday he will defend Yippie Irvin Dana Beal on marijuana charges.

"The defense counsel in the 'Chicago 7' conspiracy trial made the announcement after conferring with Beal in his Dane County jail cell.

"Kunstler said he was asked by Beal and friends, including Abbie Hoffman and Jerry Rubin, to defend the Yippie in an effort to have the court declare marijuana laws unconstitutional.

"In a statement prepared in his cell, Beal said the state 'is clearly using grass laws to stop me and other Yippies in the street.'

"His being jailed would not stop the movement, Beal asserted, because 'a thousand will rise to take my place.'"

"The Milwaukee Journal," supra, contained an article on August 2, 1971, captioned, "Hoax on Hero? Yippie Case Puzzling." This article reads, in part, as follows:

"It has the ingredients of a perfect Yippie hoax.

"Dana Beal is busted for drugs in Madison. Almost immediately he is identified by Abbie Hoffman and Jerry Rubin, no less, as a famous underground organizer and theoretician, protected in his ceaseless travels across the country, including a stay in Milwaukee, by fanciful aliases - Leon Yipsky, Paul Yippie, George Metefsky of the White Panther Party.

"Atty. William Kunstler, whose clients are the leaders of a political movement that could use a few heroes, flies to Madison to lead Beal's defense, converting the mystifying claims of his importance into a genuine cause.

"Kunstler indicated that he would use the Beal case to test the constitutionality of the marijuana laws, which he contends are being used to suppress the youth culture. This also has been one of Beal's contentions.

"The defense forms: A marijuana smoke-in will be held on the Capitol steps the day Beal's trial begins; rallies are scheduled; a defense fund is started; undoubtedly, 'Free Dana' buttons will be on the streets any day.

"It continues, until it is almost as hard to separate Beal from his reputation as it usually is to separate a radical leader from the image created by the press.

"Dana Beal came to Milwaukee in the spring of 1969. According to his friends, he was running from the law and he was tired.

"'We didn't believe him,' one local Yippie said. '...He was a very intense, nervous person. Two years' running had done a lot to him. He said he knew the Up Against the Wall... organization in New York and a lot of people from the legitimate radical movement, but we thought he was leaky (unreliable).'

"Dennis Gall, editor of the underground newspaper, Kaleidoscope, recalled that Beal was 'very high energy, almost to the point that it bothered you.'

"'He had the kind of personality where either you hated him and didn't want to see him or you liked him real much. And you might change your opinion from day to day.'

"A woman living in an East Side commune learned to respect Beal as a 'genius, really a genius at using the media, much better than Abbie' (Abbie Hoffman's political reputation rests largely on his ability to publicize his style of radicalism). But she didn't like him particularly, felt he was a 'male chauvinist.'

"Beal eventually convinced Milwaukee radicals that he was authentic. But his presence still was sometimes annoying. 'All

he did was talk politics,' Gall said.

"He was in and out of Milwaukee, traveling on the East Coast and around the country, his friends said. He was an important influence among Milwaukee radicals, they say, but nobody can point to a single outstanding local achievement.

"He impressed East Side Yippies with the importance of a street paper to bring together the hippie subculture and the political radicals. But his real influence seemed to come through the example of his untiring, dynamic organizing.

"Beal was one of the organizers that was able, through his contacts in cities all over the country, to draw radicals together into a sense of unity, at least."

III. MISCELLANEOUS

Sources, familiar with certain phases of subversive, radical, and racial activities in the New York City area, were contacted regarding subject during April and May, 1971, but advised that subject was unknown to them.

ABBIE HOFFMAN and JERRY RUBIN, Yippie leaders and authors, also publicly agreed BEAL was an important figure in the YIP movement.

advised BEAL was sentenced to a one-year term in the
Dane County Jail, 12/22/71, on a charge amended to
possessing marihuana.

BEAL entered guilty pleas to the marihuana
count as well as to two counts of selling hashish.

Visiting Judge KENT HOUCK of Richland Center,
Wisconsin, sentenced BEAL to two years imprisonment
on each of the hashish counts, then suspended sentence.

Judge HOUCK made the year sentence retroactive
to 7/14/71, the date of the defendant's arrest. The
court said it was denying Huber Law privileges "for the
time being".

Attorneys EDWARD KRUEGER and MICHAEL ROTHSTEIN,
who represented BEAL, arrived at the negotiated plea

Judge HOUCK's chambers before the court session was held.

[REDACTED]
Michigan State Police Special Investigations Unit
Lansing, Michigan.

"The Wisconsin State Journal," a Madison, Wisconsin daily newspaper, in issue dated October 5, 1971, carried an article captioned, "Reduced Bail Denied for Yippie Dana Beal." This article, in part, advised that a Madison circuit court judge the preceding Monday refused to lower the bail for subject who is currently incarcerated in the Dane County Jail, Madison. Bail had been previously set by a Madison County court judge following BEAL's May 14, 1971 arrest, at \$8,000.00 cash.

The article said that BEAL, reported to be a Youth International Party (YIP) leader, is being charged in Madison with criminal offenses of possession and sale of marijuana.

YOUTH INTERNATIONAL PARTY

The Youth International Party, (YIP), also known as Yippies, is a loosely knit, anti-establishment, revolutionary youth organization formed in New York City, in January, 1968.

"The Capital Times," a Madison daily newspaper, in issue dated December 21, 1971, carried an article captioned, "Beal Sentenced To Year On Amended Pot Count." This article, in part, said that Beal, on this date, was sentenced to a one year term in the Dane County Jail after being convicted for local narcotics law violations.

[REDACTED] Madison Police Department, Madison, advised on April 17, 1972, that BEAL was released from the Dane County Jail on or about April 14, 1972. He was allowed to go free before the expiration of his one year jail sentence due to good behavior on his part.

G. FBI Number

The FBI Identification Division by communication received at Milwaukee, March 9, 1972, advised that subject has FBI Number 108 504 F.

II. ACTIVITIES

A. Beal Defense Fund

[REDACTED] advised on [REDACTED] that on September 25, 1971, a "Smoke-in" and march was held in Madison, participated in by approximately 1,000 individuals. Purpose of the first event was to protest against alleged repressive laws outlawing possession and use of marijuana. Purpose of the second event was to show support for subject and to raise money for the Beal Defense Fund.

The activities for the day of September 25, 1971, were sponsored by Wisconsin YIP activists.

The BEAL support march began at approximately 2:00 PM and proceeded from Brittingham Park where the "Smoke-in" was held. It went up West Main Street to the Capitol Square and then over to the State Street steps of the State Capitol Building. Speeches were then given and after about an hour the crowd marched over to the steps of the Federal Building.

"The Daily Cardinal," a University of Wisconsin (UW) Madison student newspaper, in issue dated November 4, 1971, carried an article captioned, "Kunstler To Speak, Help With Beal Defense Friday." This article, in part, advised that prominent New Left Attorney WILLIAM KUNSTLER plans to be in Madison, November 5, 1971, to speak at the First Congregational Church for the purpose of coordinating and defining his role in the legal defense of IRVING DANA BEAL.

The article noted that the KUNSTLER talk will take place in the evening. Funds will be solicited for the Beal Defense Fund.

The article said that according to one of BEAL's local Madison attorneys, KUNSTLER would be an "active participant" in the BEAL case and would serve in more than just a figurehead capacity.

[REDACTED] advised on [REDACTED] that KUNSTLER spoke to a crowd estimated at about 500 people from 8:00 to 9:30 PM, November 5, 1971, at the First Congregational Church, Madison. This event was organized by the Madison YIP Chapter. YIP activists, during KUNSTLER's speech, moved throughout the crowd soliciting money for BEAL's defense. Over \$400.00 was obtained.

KUNSTLER's speech centered around telling the church gathering that marijuana laws are used by government to discredit college community people throughout this country and that public officials specifically used these laws to make records, to stay in office, and to oppress. KUNSTLER noted that he has therefore agreed to act as BEAL's attorney in an effort to show that marijuana laws are unconstitutional and wrong.

"The Daily Cardinal," in issue dated November 9, 1971, carried an article showing an interview with KUNSTLER in Madison, November 5, 1971, by a staff member of the "Cardinal." This interview, in part, elicited the following comments from KUNSTLER:

Regarding BEAL and marijuana, KUNSTLER commented that "Dana represents young people - they're being vamped on. Grass is a serious political issue. It causes no harm either physically or psychically to an average person. Since it has already and will continue to destroy the lives of many political people, grass is as serious as the fight against racism or anyone of the irrationalities of this political system."

"The Capital Times," in issue dated January 5, 1972, noted that subject, since his incarceration in the Dane County Jail, July, 1971, has been unable to make cash bail set at \$8,000.00.

The article said that BEAL has been unable to raise bail even though he has received scattered collections from the radical youth community and a commitment from national YIP leader ABBIE HOFFMAN of half the profits from the mail order sales of HOFFMAN's newest book.

B. YIP "Pre-Conference"

[REDACTED] advised that [REDACTED] YIP leadership from the midwestern and eastern parts of the United States, came to Madison on this date for a [REDACTED] YIP "Pre-Conference."

[REDACTED]

[REDACTED] he conference agenda for days of [REDACTED] and [REDACTED] was announced. This agenda was noted as follows:

1. Discussing organization of "Joint Day" demonstration tactics for day of May 1, 1972 to be held by YIP activists in state capitals throughout the U.S. Purpose of this day would be to show protest against alleged discriminatory state laws prohibiting use of marijuana.

2. Discussing protest tactics for Miami Democratic National Convention.

[REDACTED] advised on [REDACTED]
[REDACTED]
This conference was held for the purpose of planning YIP functions throughout the country to be used as a buildup for the YIP Presidential Nominating Convention in Miami, summer of 1972. The people at the Madison conference indicated they would use word "Zip" to designate their group. The "Zips" are to be the political arm of the YIPs.

BEAL reportedly feels that use of "Zip" detracts from all the organizing and building that he has done for the past two years in YIP. The use of the new name, he says, will only detract from YIP, possibly resulting in its ultimate downfall. He agrees there should be new leadership in YIP at a national level, however, obtaining this direction should, he feels, come through unified decisions by YIP activists and not by starting a new unknown group that is unknown to most revolutionaries.

C. Miscellaneous

"The East Village Other," an underground newspaper published on a semi-monthly basis in New York City, carried an article captioned, "Dana Beal: Prison Letter." This article set forth a letter from BEAL wherein in part he advises as follows:

"..."

"...if I don't get out on bail soon, it will be very difficult to do any kind of job at all on my book, YIPPIE MANIFESTOS. It's hard to write or talk over the book with other YIPs, from behind bars. And each day in jail increases the pressure to come to a pre-mature settlement, a bad deal, in court..."

"..."

"In this vein, I think it ultimately more important that a strong party organization be built in the course of my defense, than that I get off completely. I could do a couple of years in jail if I knew that it would somehow help build a strong party to keep fighting on the outside."

"..."

[REDACTED]

Subject is reportedly currently incarcerated in jail in Madison.

"The Capital Times," in issue dated January 5, 1972 in its article regarding subject, supra, noted the following additional information:

BEAL is currently working on a book he calls "Yippie Manifesto." Regarding this book BEAL advises, "In a sense what the book is about it what we'll be doing in practice in Miami. What we want is to revive the idea of the revolution."

BEAL, said the article, made his reputation as a YIP theoretician by writing analytical articles for the underground press.

Regarding his current confinement, BEAL reportedly advised, "Jail just makes it more difficult to organize."

[REDACTED] that subject has, since his arrival in the Dane County Jail, been writing a book which he hopes to publish in the near future. This book, (name unknown), will deal with subject's efforts to organize and radicalize youth.

MI 100-17687

[REDACTED] described subject as
the leading theoretician in the Madison YIP Chapter.

III. INTERVIEW OF SUBJECT

SUCCINCT SUMMARY

Sources who have furnished reliable information in the past identified BEAL as being active within the Youth International Party (YIP), Milwaukee, and Madison, Wisconsin, and as being instrumental in planning the "New Nation Conference" sponsored by YIP during April 1-4, 1971, at Madison. BEAL has also been identified by friends and associates publicly as a founder of several radical youth groups, including the Yippies, and as organizer of many "pro-pot" demonstrations. ABBIE HOFFMAN and JERRY RUBIN, Yippie leaders and authors, also publicly agreed BEAL was an important figure in the YIP movement.

These same sources have further advised that as of 2/72, BEAL was writing a book to deal with his efforts to organize and radicalize youth. Also, during 4/72, BEAL was identified as the leading theoretician in the Madison YIP Chapter.

Based on the above, it is recommended that subject be included in the Stop Index File.

YOUTH INTERNATIONAL PARTY

The Youth International Party (YIP), also known as Yippies, is a loosely knit, anti-establishment, revolutionary youth organization formed in New York City in January, 1968.

First source, who has furnished reliable information in the past, advised on May 31, 1972, that Irvin Dana Beal, a Madison, Wisconsin YIP Chapter theoretician and leader, has indicated that he is going to travel to Miami, Florida, during the first part of July, 1972, to participate in YIP activities there during the Democratic National Convention (DNC). It is not known how Beal will travel; however, in the past he has moved throughout the country by hitchhiking.

Source further advised that Beal is a "dope" pusher. He has been convicted on numerous occasions in the past for illegal possession and use of narcotics and currently he is incarcerated in the Rock County Jail, Janesville, Wisconsin, serving a sentence that he received through the United States District Court, Madison, for possessing LSD. Beal has noted that he will probably not be released from the Rock County Jail until the first part of July, 1972.

Source said Beal is definitely a violence-prone extremist, having participated in many University of Wisconsin (UW) student originated demonstrations at Madison directed against the Vietnam War and the "establishment." During many of these demonstrations Beal has functioned as an activist, encouraging demonstrators to provoke confrontations with police and to commit acts of property destruction.

~~_____~~ Rock County Sheriff's office, Janesville, advised, on May 31, 1972, that Beal was convicted in Federal Court, Madison, on or about May 19, 1972, on a charge for possession of LSD. He was sentenced to serve 50 days in jail and was, thereafter, placed in the Rock County Jail. He will be released on or about July 4, 1972.

First source further advised, on May 31, 1972, that individuals, who were reported to have previously left Madison to Miami to attend YIP activities there, have indicated that some of them are staying at 3113 Mary Street, Coconut Grove, Florida, (phone 305-444-5837). They further noted that all can be contacted in care of "Zippie," Post Office Box 132, Miami, 33142.

RE: IRVIN DANA BEAL
SECURITY MATTER - YOUTH
INTERNATIONAL PARTY (EXTREMIST)

It has been previously reported that IRVIN DANA BEAL was associated with the Madison, Wisconsin, Chapter of the Youth International Party (YIP).

The Youth International Party, also known as Yippies, is a loosely knit, anti-establishment, revolutionary youth organization formed in New York City in January, 1968. (The ZIP is a faction of the YIP).

On [redacted] advised that DANA BEAL had arrived from Madison, Wisconsin, [redacted] with the Zippie faction.

On [redacted] reported that BEAL had taken over leadership of the Zippies.

On [redacted] advised that DANA BEAL did a lot of talking at Flamingo Park, Miami, Florida, and indicated that the forces would have to be organized if they wanted to defeat NIXON and his capitalists pigs.

On [redacted] advised that the Zippies held a demonstration at the Doral Hotel, Miami Beach. The purpose of the meeting was to confront Senator GEORGE MC GOVERN with their demands. MC GOVERN eventually appeared and talked to them later in the evening and the Zippie spokesman was DANA BEAL who grabbed a microphone and asked MC GOVERN about heroin, indicating CIA is importing it into the USA.

ENCLOSURE

RE: IRVIN DANA BEAL

On [REDACTED] advised that the Zippies banged on the door at the Albion Hotel, Miami Beach, and accused the Yippies of living in Penthouse suites while they were living in the gutter. DANA BEAL was one of the Zippies involved.

On July 14, 1972, an Agent of the FBI reported that a meeting of non-delegates was held at the Jewish Cultural Center, 5th and Lenox Avenue, Miami Beach, Florida, for the purpose of planning strategy during the Republican Convention. DANA BEAL stated that a large number of persons would in itself be able to congest the area around the Convention Center to the point where movement in that area by delegates would be greatly impaired. BEAL stated that it would be inappropriate to have less protest activity against NIXON than that displayed during the Democratic Convention. BEAL stated further that as a result of his experiences during the May Day demonstrations in Washington, D.C., in May, 1971, he believed, as did others, that rather than having stationary acts of civil disobedience such as sit-down activities, mobile civil disobedience as manifested by small groups engaging in hit and run tactics throughout the city would be more effective. BEAL, later in the meeting, said "everywhere that the Fascist pig NIXON shows his face, we will confront him, but not necessarily in a non-violent way." He stated that his organization, the "Zippies", has twelve organizations throughout the country planning for the Republican Convention and that each one of these would engage in whatever action they deem to be appropriate.

On [REDACTED] advised that there were 29 Zippies in Miami, Florida, as part of the Republican Convention Task Force and they are led by DANA BEAL.

On [REDACTED] advised that there was a power struggle between TOM/FORCADE and DANA BEAL for leadership of the Zippies. *Hz*

RE: IRVIN DANA BEAL

On [REDACTED] advised that TOM FORCADE is leader of the Zippies and has appointed DANA BEAL to lead the violent type demonstrations.

On August 24, 1972, the Dade County Public Safety Department, Miami, Florida, arrested BEAL for possession of marijuana. BEAL was released the same day on a \$250 cash bond. BEAL listed his occupation as writer and address as 3039 Mary Street, Coconut Grove, Miami, Florida.

On [REDACTED] advised that BEAL had left the Miami area [REDACTED]

SUCCINCT SUMMARY OF ACTIVITIES

The following information, unless otherwise noted, was obtained from confidential informants, who have furnished reliable information in the past:

[Subject, as of February 17, 1972, was reportedly writing a book to deal with his efforts to organize and radicalize youth;] and on April 17, 1972, he was described as the leading theoretician in the Madison, Wisconsin, Youth International Party (YIP) Chapter.

Anti-war demonstrations occurred at the University of Wisconsin (UW), Madison, May 8-14, 1972, sponsored by the United Front (UF), a coalition of Madison anti-war organizations.

Subject was part of a crowd (May 8, 1972) during the above action, that engaged in spontaneous acts of property destruction (window breaking and setting rubbish fires). Police records show that one police officer was injured when hit by a rock.

A Special Agent of the FBI, on July 14, 1972, noted on this date that subject attended a meeting of convention non-delegates, Miami Beach, Florida, to plan protest strategy during the Republican National Convention (RNC), during August, 1972. BEAL said at this meeting, "Everywhere that the Fascist Pig NIXON shows his face, we will confront him, but not necessarily in a non-violent way."

SUCCINCT SUMMARY OF ACTIVITIES CONTINUED

BEAL, a leader in ZIPS (political arm of YIP), was active in demonstrations (1972 summer) at Miami, at the Democratic National Convention (DNC) and the RNC.

Police records show subject was arrested for disorderly conduct (DC), September 20, 1972, at Columbus, Ohio, for his actions during a demonstration protesting the appearance of Vice President SPIRO T. AGNEW, in Columbus.

BEAL was described on November 20, 1972, as being a Madison YIP Chapter activist, having a current propensity to instigate and direct revolutionary acts of violence.

"ALL INDIVIDUALS INVOLVED IN NEW LEFT EXTREMIST ACTIVITY SHOULD BE CONSIDERED DANGEROUS BECAUSE OF THEIR KNOWN ADVOCACY AND USE OF EXPLOSIVES, REPORTED ACQUISITION OF FIREARMS AND INCENDIARY DEVICES, AND KNOWN PROPENSITY FOR VIOLENCE."

In view of demonstrated propensity for violence and other factors as noted above, subject is recommended for inclusion on ADEX.

C. ARREST CHECKS - FBI IDENTIFICATION RECORD

The "Wisconsin State Journal," a Madison, Wisconsin, daily newspaper, in issue dated April 14, 1972, carried an article, captioned, "YIPPIE BEAL PLEADS GUILTY ON LSD CHARGE." This article in part advised that subject pleaded guilty in Madison, the preceding Thursday, to two Federal charges of selling narcotics (LSD) to undercover agents in New York City, in 1967. These charges were transferred to Madison Federal Court, for handling after subject was arrested in Madison, during the summer of 1971, for hitchhiking.

D. MARITAL STATUS

[REDACTED] advised on [REDACTED] that subject and KATHLEEN MORALES travel and live together, even though, they are not officially married.

II. ACTIVITIES

A. YOUTH INTERNATIONAL PARTY (YIP)

1. April 29, 1972, "J-DAY, SPRING PLANT-IN"

FBI Agents observed the following Madison activities on April 29, 1972, publicly billed as "J-Day, Spring Plant-In," sponsored by Wisconsin YIP in their effort to gain support for the YIP Presidential Nominating Convention to be held during July of 1972, in Miami:

From about 12:00 noon to 1:30 P.M., individuals congregated in James Madison Park, where a live band played music. The crowd, estimated at about seven hundred, then marched five blocks to the State Capitol Building.

The crowd grew to about one thousand upon reaching the State Capitol grounds. From about 1:45 to 2:05 P.M., speakers using public address system, covered the following points:

They said Governmental agencies - Federal and State, have used marijuana legislation as a means of suppressing legitimate dissent of America's youth on all major protest issues. The "illegal and immoral" Vietnam War, in addition to being fostered for imperialistic purposes, it was said, is being used by the FBI, CIA and others to keep open the channel for hard drugs. These drugs, such as heroin, are coming into this country at a rapid rate and when used by the New Left (NL) are hurting minds of people who have potential for changing wrongs currently existing in America. Marijuana, they say is no more harmful than alcohol and possession of it should be lawful.

BEAL was identified as one of the above speakers at the State Capitol grounds.

The gathering broke when BEAL urged the audience to support YIP action during the Democratic Presidential National Convention in Miami this summer.

Several alleged marijuana plants were then planted in the Capitol grounds grass as a symbolic gesture at liberating New Left Movement from dictates of marijuana laws.

People then marched about ten blocks through the radical University of Wisconsin (UW) student housing area on Mifflin Street, to Brittingham Park, arriving about 2:30 P.M.. The crowd, now estimated at about 1300, according to a voice over park loud speaker, would spend remainder of day listening and dancing to live music.

"The Capital Times," a Madison daily newspaper, in issue, dated May 1, 1972, carried an article captioned, "POT CELEBRATION DRAWS 2500; POLICE SMELL NOTHING AMISS." This article in part advised that a marijuana "smoke-out" was held at Madison, April 29, 1972, and was attended by about 2500 young people. The article further noted that BEAL, who spoke to the crowd at the State Capitol grounds, issued a series of demands on behalf of the YIP. Those demands were noted as follows:

1. "A guaranteed weekly stash of at least one ounce of grass for every man, woman, and child in America, who digs getting high."
2. "The release of "all political and cultural prisoners"."
3. "An immediate, unconditional surrender of the United States Government to the Viet Cong."
4. "Internationally sponsored free elections in America."

2. DEMOCRATIC NATIONAL CONVENTION (DNC) -
JULY, 1972, AND REPUBLICAN NATIONAL CONVENTION (RNC) -
AUGUST, 1972.

[REDACTED] advised [REDACTED] that on this date, a group called the Zippies held a demonstration at the Doral Hotel, Miami Beach, Florida. The purpose of this activity was to confront Senator GEORGE MC GOVERN (Democratic runner for President of the United States), with their demands. MC GOVERN eventually appeared and talked to them later in the evening. The Zippie spokesman was the subject, who grabbed the microphone and asked MC GOVERN about heroin, indicating that the Central Intelligence Agency (CIA) is importing it into the United States.

ZIPS, also known as ZIPPIES

[REDACTED] advised on [REDACTED] that the ZIPS, also known as ZIPPIES, is the political arm of the YIP Party. The alphabetical letters for ZIPS are intended to connote that the group has a great amount of energy and enthusiasm. The letters are not abbreviations for an organizational name.

[REDACTED] advised on [REDACTED] that subject, [REDACTED] departed Wisconsin to participate in YIP protest activities planned for the Miami area during the Democratic National Convention (DNC) and the Republican National Convention (RNC).

A Special Agent of the Federal Bureau of Investigation, on July 14, 1972, reported that a meeting of non-delegates was held at the Jewish Cultural Center, 5th and Lenox Avenue, Miami Beach, Florida, for the purpose of planning strategy during the Republican National Convention (RNC).

Subject, who attended the meeting told people there that a large number of individuals would be able to congest the area around the Convention Center to the point where movement in that area by delegates would be greatly impaired. Subject further noted that it would be inappropriate to have less protest activity against President NIXON than that displayed during the Democratic National Convention (DNC). He said that as a result of his experiences during the demonstrations in Washington, D. C., in May, 1971, he believed as did the others, that rather than having stationary acts of civil disobedience, such as sit-down activities, mobile civil disobedience as manifested by small groups engaging in hit and run tactics throughout the city would be more effective.

BEAL later said in the meeting, "Everywhere that the Fascist Pig NIXON shows his face, we will confront him, but not necessarily in a non-violent way."

BEAL advised that his organization, called ZIPS, has twelve groups throughout the country planning for the Republican National Convention and that each one would engage in whatever action they feel is appropriate.

"The Washington Star," a newspaper published daily in Washington, D. C., in issue dated July 16, 1972, carried an article captioned, "LEFTISTS MORE MILITANT TOWARD GOP." This article, in part, advised that when the Republican National Convention begins in Miami, in August, 1972, from reports that have been received, it is possible the delegates will be greeted by large, militant street demonstrations. The RNC is scheduled for August 21-23, 1972.

The article noted that after the last of the Democratic National Convention protest marches, in Miami, BEAL, a leader of the ZIPS, reportedly said, "This was a dress rehearsal for August." BEAL advised, "We will have a lot more people and be a lot more serious in August. We all hate NIXON. We are going to try to push him into the sea right here. We don't want trouble, but we are prepared for NIXON to react."

"The Capital Times," in issue dated July 25, 1972, carried an article captioned, "POT PARTY PERFECTED HERE TURNS ON MIAMI." This article, in part, said that subject was the chief organizer for a "third annual smoke-in," and "Smack Attack" held at Flamingo Park, Miami Beach, July 23, 1972. The "smoke-in" was a protest demonstration against marijuana prohibition laws and the "attack" was a protest march against the alleged heroin trade. It was noted that both activities were previously perfected in Wisconsin, by subject.

The "smoke-in" consisted of the public flaunting of the law by passing out quantities of marijuana to the crowd, which is then smoked under the eyes of the TV cameras.

The crowd then marched from the park to the Democratic National Convention Center and on arriving outside the Center, they heard BEAL denounce what he called the "CIA-nark heroin main line." Subject cited alleged recent testimony before a Congressional Committee that traced what he described as "the route of opium" from Southeast Asia through the hands of the CIA to the heroin sold in the streets of the United States.

BEAL claimed that the NIXON Administration was cracking down on marijuana partly because it was willing to have young people who might otherwise be NIXON's political opponents "pacified by smack."

[redacted] advised on [redacted] that subject arrived in the Orlando, Florida area on August 1, 1972, from Miami, in a van. He came to organize a caravan or caravans from the Orlando area to Miami, for the Republican National Convention. [redacted]

[redacted] advised on [redacted] that subject, a leader in ZIPS, was very active in demonstrations at both the DNC (July, 1972) and the RNC (August, 1972).

3. MISCELLANEOUS

[redacted] advised on [redacted] that on this date, YIP meeting was held [redacted] attended [redacted] by subject.

The purpose of this meeting was to discuss plans for YIP protest activities during the Democratic National Convention and the Republican National Convention, to be held during the summer of 1972. It was indicated that the YIPS would participate in non-violent demonstrations there and the University of Miami would be a staging area and a "safe ground" for YIPS.

There was also indication that money would be hard to obtain for the YIP action, especially since subject has noted that he does not want to deal in narcotics traffic, as to do so, would subject him to a possible long jail sentence.

[redacted] advised on [redacted] that subject is a Madison YIP Chapter activist, having a current propensity to instigate and direct revolutionary acts of violence.

B. MISCELLANEOUS

1. MAY 4, 1972, ANTI-WAR RALLY

"The Capital Times," in issue dated May 6, 1972, carried an article captioned, "PEACEFUL RALLY PROTESTS WAR." This article, in part, advised that several thousand people gathered on the State Capitol Building steps, Madison, Wisconsin, on May 4, 1972, to protest the war in Vietnam.

Fourteen speakers, including subject, addressed the crowd, denouncing the war, President NIXON, and alleged American imperialism.

Following the rally, a contingent of demonstrators walked down West Washington Avenue past the International Business Machine (IBM) offices, where they broke into anti-war chants. They then proceeded to the University of Wisconsin (UW) Campus for another rally.

2. MAY 8-14, 1972, ANTI-WAR DEMONSTRATIONS

[REDACTED] that a University of Wisconsin organization called the "United Front," (UF), a coalition of Madison anti-war organizations, was planning demonstrations for the period of May 8-14, 1972, at Madison. [REDACTED] learned that the [REDACTED]

[REDACTED]

[REDACTED]

[REDACTED] that following President NIXON's speech on May 8, 1972, indicating stepped-up military action in Southeast Asia, individuals, several hundred in number, congregated in the streets adjacent to the University of Wisconsin campus area about 9:15 P.M.

No specific organization or group called the gathering and it appeared to be spontaneous in nature.

Source noted that the crowd, angered over what NIXON had said, then, engaged in spontaneous acts of property destruction (window breaking and setting of rubbish fires). Subject was observed taking an active part in this melee.

The protest action was over about 12 midnight, after the demonstrators were told a rally would held on May 9, 1972, at the University of Wisconsin.

[REDACTED] Madison Police Department, Madison, advised on May 9, 1972, that about 400 people participated in the protest action during the evening hours of May 8, 1972, at Madison. Eight windows were broken and one police officer was injured when hit by a rock. Four arrests were made for disorderly conduct (DC) and criminal damage to property.

[REDACTED] furnished the following information on [REDACTED]

A United Front meeting was held on May 14, 1972, in the University of Wisconsin Sallery Hall (student dormitory), Madison, lasting from about 8:00 P.M. to about 10:00 P.M. Subject was one of about 50 people at this meeting.

The purpose of the United Front gathering was to discuss goals and the structure of a new "anti-war" organization presently being formed at the University of Wisconsin and also, to discuss and evaluate student strike protest activities for the University of Wisconsin, regarding escalation of the air war in Vietnam.

No specific decisions of any consequence were agreed on.

3. SEPTEMBER 20, 1972, DEMONSTRATION
AGAINST VICE PRESIDENT SPIRO T. AGNEW.

[REDACTED] advised on [REDACTED] that various anti-war groups in the Columbus, Ohio area, planned to protest the appearance of Vice President SPIRO T. AGNEW, who was scheduled to come to Columbus, September 20, 1972, to make a speech.

[REDACTED] advised on September 20, 1972, that a total of about 75 demonstrators assembled at about 6:45 P.M., September 20, 1972, across the street from the RKO Palace Theatre, Columbus, where the Vice President was scheduled to address the Ohio State Republican Convention. The demonstrators chanted anti-Vietnam war and anti-NIXON and AGNEW slogans.

The Columbus Police Department made numerous arrests, beginning at about 8:00 P.M. and at 8:10 P.M., the demonstrators were forced by police from the Palace Theatre area, at which time, they disbanded.

[REDACTED] advised that arrests were made when the demonstrators began to use obscene language.

Subject was one of the individuals arrested on a charge of disorderly conduct (DC).

Youth International Party (YIP), Also Known as Yippies

UPS, founded in New York City in 1967, serves as a clearinghouse for underground newspapers seeking information regarding underground publications and persons affiliated with the radical press. (U)

On [REDACTED] advised that the residence of A.J. Weberman, 6 Bleecker Street, New York City, is currently serving as YIP Headquarters in New York City. The source advised the headquarters serves primarily as a YIP "crash pad" and contact point for Yippies in the New York City area. The source advised that although the residence is used as a headquarters, the "office space" is loosely organized. YIP is not known to have an official membership in New York City. (U)

On [REDACTED] advised that although YIP had two (2) buses scheduled to leave from Union Square, New York City, for Washington, D.C. on the evening of January 19, 1973; only one bus actually departed, leaving Union Square at approximately 11:30 p.m. The source advised that the second scheduled bus was cancelled due to lack of support and lack of YIP finances. Persons planning to board the second bus either found other rides or cancelled their plans. (U)

[REDACTED] advised that upon arriving in Washington, D.C., around 2:00 a.m. on the morning of January 20, 1973, most persons affiliated with YIP gathered at 515 Second Street, N.E., Washington, D.C., telephone 202-544-0693. About 25-30 persons were present, including A.J. Weberman and Dana Beal. It was at this residence where the "rat float" was being built to be used later in the YIP inauguration parade. [REDACTED]

Youth International Party (YIP), Also Known As Yippies

Irvin Dana Beal, also known as Dana Beal, was arrested in Madison, Wisconsin, and charged with local narcotics violations during the summer of 1971. At that time Beal was regarded as a leader in the Madison, Wisconsin, Chapter of YIP; and was considered a national YIP theoretician. Beal is also affiliated with UPS in New York City. (U)

[REDACTED]

At about 9:00 a.m., [REDACTED] advised that protesters began gathering and everyone marched to Union Station. About 60-75 Yippies were present at a rally in front of Union Station, where an American flag was burned along with plastic bags full of dead rats. Supposedly this was to symbolize Nixon supporters throwing off the "diseased rat plague" of Nixon. Several protesters from Students for a Democratic Society (SDS) were in the area, however they did not contribute to the YIP rally.

SDS was founded during June, 1962, at Port Huron, Michigan, and in the 1960's functioned as the leading New Left campus-based student organization in the United States. From a stance of "participatory democracy", the SDS moved to a radical-revolutionary position. It maintained a national office at 1608 West Madison Street, Chicago, Illinois, until February, 1970. Internal factionalism during 1969 produced three main factions: Weatherman, Revolutionary Youth Movement (RYM), and Workers Student Alliance (WSA). The Weatherman and RYM no longer consider themselves associated with the SDS. The WSA faction continues to use the name SDS.

Youth International Party (YIP), Also Known As Yippies

After the rally, most Yippies marched to the Washington Monument behind SDS. YIP intentionally avoided marching with SDS as there had been some friction between the two groups. Many people referred to it only as a lack of communication which had caused some bad feelings. About 250 people joined in the march to the monument. After arriving at the monument several speakers were heard, and later all Yippies were asked to sell copies of the "Yipster Times", a YIP publication in New York City, in order to help raise funds for YIP. It was mentioned the "Yipster Times" is currently in financial difficulty. By late afternoon the large majority of demonstrators had dispersed.

[REDACTED] advised that [REDACTED] on the evening of January 20, 1973, Yippies began gathering again at 515 Second Street, N.E. Everyone present expounded on the press coverage YIP had received because of the rat float. Most people were watching the news reports on TV. Everyone seemed well pleased that YIP had made all the news stations, and had received priority coverage over the other protest groups.

At approximately 10:00 p.m., January 20, 1973, about 25 YIP representatives gathered for a national meeting at the Capitol Hill Methodist Church, Fifth and Pennsylvania, Washington, D.C. The meeting place had been arranged by John Adams, who was present in Miami during the Conventions, and who wore an arm band labeled "religious observer". Adams was present at the meeting, but did not take part in the discussion. Present at the meeting were persons representing the local chapters from Columbus, Ohio; Madison, Wisconsin; and New York City; along with various unknown persons from Massachusetts, New Jersey, Chicago, and Connecticut. The meeting was chaired by Dana Beal with assistance from his girlfriend. A.J. Weberman from New York City was not observed at the meeting.

Youth International Party (YIP), Also Known As Yippies

Discussion at the meeting first centered on the YIP parade and the apparent success of the rat float. There was mention of lack of support at the demonstrations, and an argument as to why YIP and SDS could not get together.

There is a noticable lack of national YIP leadership. Beal seemed unsure of himself and expounded on the idea there is no national YIP organization in the true sense of the word. Beal stated each local YIP Chapter is autonomous, free to act on its own without any national directives. Beal stated a national organization was needed only to announce national demonstrations such as for the inauguration. Such demonstrations were to be for nation-wide communication among local YIP Chapters, and not an example of a national organization. It was mentioned the "Yipster Times" could be used as a means for nation-wide communication.

Discussion also centered on differences between YIP and Zippies, who are evidently still influenced by Tom Forcade. No arguments erupted, although Forcade was criticized by many.

Tom Forcade in June, 1971, was affiliated with UPS in New York City. Forcade is regarded as a leader of the Zippie faction of YIP, which originally consisted of Yippies from the Madison, Wisconsin Area. (U)

Many persons present criticized the lack of communication between the local chapters. Everyone was urged to make efficient use of YIP telephone contact points, and to make sure local contact points were in operation.

Many persons expressed satisfaction that Jerry Rubin and Abbie Hoffman had been successfully expelled from YIP. It was widely agreed that Rubin and Hoffman no longer have any significant influence in YIP.

[REDACTED]
Youth International Party (YIP), Also Known as Yippies

Jerry Rubin and Abbie Hoffman, on February 18, 1970, were found guilty of Anti-Riot Law violations that arose from activities during the Democratic National Convention, Chicago, Illinois, in August, 1968. On November 27, 1972, the United States 7th Circuit Court of Appeals, Chicago, reversed the conviction. No decision has been reached regarding contempt citations against Rubin and Hobbman. (U)

[REDACTED] advised the entire meeting was obviously disorganized, and many people began leaving during the course of the meeting. No national meetings were proposed for a future date. It was mentioned YIP should sponsor a "Smoke In" for July 4th at various cities across the country. No specifics were discussed and no plans were made for a YIP "Spring Offensive". In conclusion everyone was encouraged to support National Women's groups during their demonstrations for Women's Rights at various cities on March 28, 1973.

RE: IRVIN DANA BEAL

On [REDACTED], who has furnished reliable information in the past, advised that various anti-war groups in the Columbus, Ohio area plan to demonstrate by protesting the appearance of Vice-President Spiro T. Agnew scheduled for Columbus, Ohio, September 20, 1972. This source advised that leaflets announcing Vice-President Agnew's appearance had been circulated around the Ohio State University (OSU), Columbus, Ohio area. These leaflets announced a rally for the demonstrators at the Ohio Statehouse, Broad Street and High Street, Columbus, Ohio, for 6:30 PM, September 20, 1972. The leaflets were endorsed by the Indochina Coalition, a local anti-war group, the Indochina Peace Campaign, the Vietnam Veterans Against the War and the Youth International Party.

INDOCHINA COALITION

The "Ohio State Lantern" an Ohio State University (OSU) daily student newspaper generally circulated on the OSU campus, Columbus, Ohio, in its May 8, 1972, issue, in an article captioned, "Anti-War Rally Set For Today," described the Indochina Coalition as a recently formed group opposing the war in Indochina.

VIETNAM VETERANS AGAINST
THE WAR

The Vietnam Veterans Against the War (VVAW) is a national organization whose membership opposes the war in Vietnam and the Selective Service System. The VVAW has sponsored demonstrations in protest against the war in Vietnam throughout the United States.

YOUTH INTERNATIONAL PARTY

The Youth International Party, also known as Yippies, is a loosely knit, antiestablishment, revolutionary youth organization formed in New York City in January, 1968.

INDOCHINA PEACE CAMPAIGN (IPC)

The IPC is an ad-hoc group of war resisters organized as an educational and action program designed to keep the Vietnam War primarily in the public conscience through the November election; in so doing, they intend to embarrass President Nixon and gather support for Senator George Mc Govern.

On [REDACTED] Columbus, Ohio, Police Department, advised that on this date a group of approximately 50 to 60 demonstrators assembled on the west side of High Street across from the Neil House Motor Hotel, Columbus, Ohio, at approximately 4:45 PM and engaged in anti-war and anti-Agnew chants while awaiting the arrival of Vice-President Agnew.

The demonstrators greeted the arrival of Vice-President Agnew with anti-Agnew chants and with obscenities. The demonstrators did not attempt to break through police barricades and broke into small groups after the Vice-President had entered the Neil House Motor Hotel. The demonstrators then remained on the Statehouse grounds opposite the Neil House while the Vice-President remained in the Neil House.

[REDACTED] further advised that the demonstrators re-assembled approximately 6:45 PM, September 20, 1972, and moved to a position across the street from the RKO Palace Theater, where the Vice-President was scheduled to address the Ohio State Republican Convention. The demonstrators continued to chant anti-Vietnam War and anti-Agnew and Nixon slogans. At this time the demonstrators totaled approximately 75 in number. At approximately 8:00 PM, the Columbus Police Department commenced making arrests of some of the demonstrators and at 8:10 PM, forced the demonstrators from the vicinity of the RKO Palace Theater to the corner of Broad and High Streets where they were advised to disband. The demonstrators disbanded into small groups and proceeded immediately out of the area.

RE: IRVIN DANA BEAL

[REDACTED] advised that arrests were initiated when the demonstrators began to use obscene language.

[REDACTED] advised that there were approximately 12 individuals arrested by the Columbus, Ohio Police Department.

Irvin Dana Beal, Columbus Police Department Slate Number 32734, was one of the individuals arrested at this demonstration. Beal gave the Police Department an address of 1446 Hunter, Columbus, Ohio. Beal was born January 9, 1947, in Ohio. He is a white male and employed with the 'Underground Press' in New York City. He was arrested for disorderly conduct.

On [REDACTED] [REDACTED] advised that Dana Beal was not in Columbus and his whereabouts was unknown.

On [REDACTED] [REDACTED] who has furnished reliable information in the past, advised that Dana Beal and his girl friend, Judy Loudenslager attended a National Youth International Party (YIP) Congress or Conclave held at Columbus, Ohio, November 22-25, 1972.

255 UNIVERSITY AVE. APT A 10
This Conclave was attended by approximately 60-70 Yippies from various parts of the country.

BRONX NEW YORK 10467
There was a general meeting from about 10:30 PM until 1:00 AM, Wednesday, November 22-23, 1972, to discuss the agenda for the YIP Congress. The meeting was held at 251 West Sixth Avenue, Columbus, Ohio. During this meeting Dana Beal served as the Chairman.

On Thursday, November 23, 1972, the YIP Congress commenced at approximately 10:30 AM at the Wesley Foundation, Columbus, Ohio. The discussion regarding the agenda for the YIP Congress followed and this discussion was led by Dana Beal. Instead of formulating any definite agenda, Beal expounded regarding the theory of the Yippies, which is also grounded on the youth culture and "rock and roll". Beal also led the discussion regarding kicking Jerry Rubin and Abbie Hoffman, founding leaders of the YIP Party, out of YIP because they were stealing funds, had allied themselves with the Democratic Party, and had resorted to working through the system of the "establishment".

~~CONFIDENTIAL~~

After dinner the YIP Congress resumed with a general session. This session was also led by Dana Beal. During this session, it was decided there would be a press conference to announce the expulsion of Jerry Rubin and Abbie Hoffman from the YIP Party.

After dinner on this date, the males and females attending the YIP Congress held separate meetings from approximately 8:30 PM until 10:15 PM.

[REDACTED]

This [REDACTED] source advised that Dana Beal also led the discussion of the YIP Congress for [REDACTED]

On Friday evening, a workshop on Cultural Imperialism was held in St. Stephens Episcopal Church, 30 West Woodruff Avenue, Columbus, Ohio. Essentially, the workshop related to how the YIP "rock and roll" music has been "ripped off" by "straight" society and used without due credit to the Yippies. During this workshop, Dana Beal for the first time lost control of the proceedings and everyone who wished to talk did so. After this workshop, caucuses were held among the participants in an effort to take control of the YIP Congress away from Dana Beal who had been doing all of the talking during the Congress.

On [REDACTED] the YIP Congress convened and it was not chaired by Dana Beal. Copies of the "Yipster Times", the Yippie newspaper were handed out for everyone to sell. Beal talked about the "Yipster Times" and how to obtain national advertisements and how to distribute it.

After lunch, those present at the YIP Congress discussed the coming inauguration of President Nixon, January, 1973, and Dana Beal said the Yippies had to be present at the inauguration of President Nixon. It was decided that the YIP would be present in Washington, D. C. during the Presidential Inauguration and would perform guerrilla theater. In addition, it was proposed that the Yippies inaugurate some animal or other object as President of the United States prior to the Presidential Inauguration, which inauguration could be filmed and publicized. No definite plans were made other than the

fact the Yippies would be in Washington, D. C. for the Presidential Inauguration. It was indicated the next issue of the "Yipster Times" would have announcements regarding plans for "actions" at the time of the Presidential Inauguration.

During this Congress Dana Beal talked about the need for setting up a spring offensive, but no definite plans were finalized. Likewise, no date was set for the spring offensive.

This [REDACTED] source advised that the YIP Congress was poorly organized and attendance was much less than had been anticipated.

[REDACTED]

[REDACTED] This source advised that the Yippies claim there are no such thing as national leaders, but that Dana Beal and Beal's present girl friend, Judy Loudenslager, definitely are Yippie leaders.

[REDACTED]

[REDACTED]

On [REDACTED] [REDACTED] advised that the truck utilized by Dana Beal [REDACTED] was a 1965 Chevrolet truck, white top and blue body, bearing New York license tags.

[REDACTED]

[REDACTED], furnished information on [REDACTED] that the next YIP Congress or Conclave would be held in Chicago, Illinois, in April, 1973, no specific date mentioned. An announcement of the date and place of the YIP Congress or Conclave will appear in a future copy of the "Yipster Times".

RE: IRVIN DANA BEAL

[REDACTED] also mentioned that the Yippies are planning to release 100 "crazed" chickens in the mansion of Hugh Hefner, the publisher of "Playboy" magazine so Hefner will have all the "chicks" he desires. No specific date or plan for such an action was specified.

On [REDACTED] [REDACTED] advised that he was certain the photograph of Kathleen Morales was identical to Judy Loudenslager, the girl friend of Dana Beal. This source advised that the description of Morales fits that of Judy Loudenslager.

[REDACTED] advised that Beal and Loudenslager had returned to New York City.

On January 18, 1973, [REDACTED] Columbus, Ohio Police Department, advised that Beal was not presently serving time in the Columbus City Jail or the Franklin County, Ohio Jail. [REDACTED] advised that to his knowledge, Beal is still pending charges for his arrest, September 20, 1972, by the Columbus, Ohio Police Department.

[REDACTED] further stated that the address of 1446 Hunter given by Beal at his time of arrest by the Columbus Police Department is the address of local Yippie members and that this address is used very frequently as a "crash pad", by various persons staying over night in the Columbus, Ohio area.

On [REDACTED] [REDACTED] advised that to their knowledge, Beal was not located presently in the Columbus, Ohio area.

On [REDACTED] [REDACTED] advised that he had attended the protest activities during the Presidential Inauguration Ceremonies, Washington, D. C., January 18-21, 1973. This source advised that on January 19, 1973, he observed Dana Beal and Judy Loudenslager, Beal's girl friend at the YIP House located at 514 Second Street, Northeast, Washington, D. C. This source advised that the individuals at the YIP House

~~CONFIDENTIAL~~

RE: IRVIN DANA BEAL

were in the process of building a float depicting President Nixon as a "rat" for use during the counter inaugural demonstration January 20, 1973.

[REDACTED] stated that after the counter inaugural demonstration, January 20, 1973, there was a YIP meeting regarding the YIP agenda at 10:00 PM held at a Methodist Church located at Pennsylvania Avenue and Fifth Street, Northeast or Southeast, Washington, D. C. Approximately 20 Yippies were in attendance.

Dana Beal and his girl friend Judy Loudenslager were in attendance at this meeting. Dana Beal chaired the meeting and did most of the talking. Beal announced YIP plans to coordinate "attacks" on Playboy Clubs throughout the United States March 28, 1973, to protest Sexism. YIP will attempt to enlist the help of Women's Liberation Organizations, because that date is suppose to be International Woman's Day.

Beal indicated the next YIP National Conference will be held at Wobbley Hall, Chicago, Illinois, but no date was finalized.

During the meeting, "smoke-ins" were discussed and Beal indicated the annual "smoke-in" at Washington, D. C. should be held this year.

On [REDACTED] source, who has furnished reliable information in the past, and who attended the anti-inauguration demonstrations in Washington, D. C., January 20, 1973, advised that Beal and his girl friend were present at the YIP demonstration during the Presidential Inauguration. This source stated that Beal and his girl friend are presently residing in New York City.

On March 20, 1973, [REDACTED] Clerk of Municipal Courts Office, Columbus, Ohio, advised that Beal is subject of Columbus City Docket Number 30322. This file shows that Beal was arrested September 20, 1972, by the Columbus, Ohio Police Department for disorderly conduct, "screaming obscenities on a public street".

RE: IRVIN DANA BEAL

The file shows that the case was continued until December 11, 1972, when his defense which is the legal aid at Ohio State University, Columbus, Ohio, contacted the court and said that the defendant is not a student but a resident of New York City and that the legal aid would like to submit a motion to have the charge against the defendant, "quashed". The court advised that a motion could not be set without the defendant being present and a continuance was set for December 20, 1972. On December 20, 1972, the defendant appeared for a hearing on his motion and the motion was argued and submitted and the case continued until January 18, 1973. On January 18, 1973, the motion of the defendant to dismiss charges against him were overruled by the court.

On February 13, 1973, a pre-trial hearing was held and the case was assigned to jury. [REDACTED] advised that no jury date has been set at the present time and Beal is presently free on a \$500. bond.

An FD-376 is stapled to this report.

An information copy of this communication is being furnished to Cincinnati as that Division is currently following local prosecution at Columbus, Ohio, regarding subject's arrest there, 9-20-72, on a charge of disorderly conduct (DC).

Milwaukee has submitted FD-128 (6-27-73), changing office of origin to New York in view of subject's current residence in that city.

This report has been prepared by Milwaukee to apprise the Bureau and interested governmental agencies of all information ascertained by Milwaukee regarding subject since submission of referenced report.

HARDING (alias of subject).)

Tampa by airtel to Director, 12-27-72, noted that the Master Scheme for the City of Orlando failed to reflect a Dohrn Street existing in that city. It was further noted that according to [REDACTED] subject and FORCADE, use the names of HARDING and DOHRN (JOHN W. HARDING is the name of a past hit record and DOHRN is the last name of BERNARDINE DOHRN, Weatherfug subject) when they want to confuse older people who are not familiar with the significance of these names. Subject derives humor from the confusion that results.

II. ACTIVITIES.

A. Youth International Party (YIP).

1. YIP Congress, Columbus, Ohio
(November, 1972.)

[REDACTED] advised on [REDACTED], that a YIP Congress was held in Columbus, Ohio, during period, November 22-25, 1972. Approximately 60 individuals (including subject) attended the Congress and the majority of the meetings (unless otherwise noted) were held at the Wesley Foundation, 82 East 16th Avenue, Columbus. The following information is noted regarding specific meetings for the Congress:

November 22, 1972

A general meeting (Switchboard Way Station, 251 West 6th Avenue) - purpose of this meeting, which was chaired by subject, was to discuss the agenda for the Congress. It was decided that the workshops and "rap" sessions would involve everyone, and only one session would be held at a time.

November 23, 1972

A general meeting - subject led a general discussion regarding the agenda for the Congress and, instead of having the conference attendees make up their mind on specific topics that they wished to discuss, BEAL expounded regarding the theory of the YIP party.

Plenary session - It was agreed to at this meeting that a press conference would be held later for the purpose of publicizing the YIP party and also, to announce that JERRY RUBIN and ABBIE HOFFMAN, individuals who had been active in YIP in the past, on a national level, were being expelled from the party.

Sexism meetings - Subject chaired the meeting, which was attended by the males and it was decided that individuals in YIP should struggle against sexism.

November 24, 1972

Workshops on drugs and underground newspapers - Subject, who led the discussions at these meetings, spoke about the "Yipster Times," and how this publication could and should be used by YIP to publicize YIP activities and to get new members into this organization.

People also discussed the holding of "Smoke-ins," by YIP to expound on the dangers of using "hard drugs." It was also mentioned that "dope dealing collectives" could be formed. Emphasis was placed on the necessity of YIP members to organize into collectives.

Other matters, effecting possible future activity by YIP were also discussed.

Workshop on cultural imperialism (St. Stephen's Episcopal Church, 30 West Woodruff Avenue) - Essentially, this workshop related to how the YIP "rock and roll" music was being misused by "straight" society and used without due credit going to the YIP organization. Subject, for the first time during the Congress, lost control of the proceedings and everyone who wished to talk, did so.

The workshop then broke up into small caucuses, for purpose of discussing YIP matters away from subject, as he had been doing all the talking during the Congress.

November 25, 1972

General meeting - Copies of the "Yipster Times," were handed out for attendees to sell. Subject again, spoke about this publication, how national advertisements could be obtained for it and how it should be distributed. He noted that YIP members must go to Washington, D. C. to protest against the inauguration of President RICHARD NIXON in January, 1973.

Subject also discussed the need for setting up a "spring offensive," but no definite plans were finalized.

[REDACTED] noted that the results of the YIP Congress were as follows:

1. Conference attendees found that national YIP meetings afforded information on YIP activities throughout the country;
2. There is a need for a national YIP newsletter or paper;
3. There is a need for a national organization which is youth oriented;
4. RUBEN and HOFFMAN were expelled from the YIP organization; and,
5. A need exists to make people aware of the radical "movement."

Source concluded by saying that as a result of the YIP Congress, a "National Telephone Tree" is being set up, whereby, YIP regions can communicate with one another.

2. YIP Presidential Inauguration Day Demonstration,
Washington, D. C. (January, 1973).

[REDACTED] advised on [REDACTED]
[REDACTED] left NYC and proceeded to Washington, D. C. to participate in a YIP demonstration scheduled for that city on January 20, 1973. Purpose of the demonstration was to protest the inauguration of President RICHARD NIXON.

Upon arriving in Washington, D. C., the NYC contingent went to the address of 515 2nd Street, Northeast, where a "rat" float was being built. YIP activists planned to use the float in their demonstration.

Source noted that about 60 to 75 YIP demonstrators (including subject) during the morning hours of January 20, 1973, commenced their activities by marching to the Union Station for a rally. An American flag and plastic bags containing dead rats were burned at the Station.

The above burnings were allegedly held to show people that YIP was throwing off the "diseased rat plague" of President NIXON.

Following the rally, YIP activists and others (about 250) marched to the Washington Monument. After arriving there, several speakers spoke to the crowd, denouncing President NIXON and his administration and later, all people in YIP were asked to sell copies of the "Yipster Times."

Later in the day of January 20, 1973, a YIP meeting (conclusion of the demonstration) attended by about 25 people and chaired by subject, was held at the Capitol Hill Methodist Church, 5th and Pennsylvania Avenue.

Discussion at the meeting first-centered on the YIP parade and the apparent success of the "rat" float. Mention was made of lack of support at YIP demonstrations and an argument took place regarding why YIP and another protest organization could not get along together.

Source noted that it is his opinion there is a noticeable lack of national YIP leadership. Subject, who appears to be unsure of himself, expounds on the idea that there is no national YIP organization in the true sense of the word and that each local YIP chapter is autonomous. BEAL believes that demonstrations such as the one against President NIXON would be for the purpose of establishing nation-wide communication among local YIP chapters, and not to set up and strengthen a national organization.

[REDACTED] advised on [REDACTED] that the following information was ascertained with regard to the YIP meeting chaired by subject at Washington, D. C. on January 20, 1973:

Subject, who did most of the talking, announced YIP plans to coordinate "attacks" on Playboy clubs throughout the United States, March 28, 1973, to protest sexism. YIP will attempt to enlist the help of Womens Liberation organizations, because that date is suppose to be International Womens Day.

Subject announced the place for the next national YIP conference and he noted that the annual "Smoke-in" at Washington, D. C. should be held this year.

The meeting ended at approximately 12 midnight.

[REDACTED], advised on [REDACTED], that individuals in Washington, D. C. representing YIP for the January 20, 1973, demonstration were told by subject that the activity would start at 9:30 A.M. at the corner of 8th Street and H Street, Northeast, and would be led by a large papier-mache float in the form of a rat. The demonstrators were told to follow the rat to the Union Station Plaza for a rally. YIP would then try to join the People's Coalition for Peace and Justice (PCPJ) for a larger demonstration march to the Washington Monument.

PEOPLES COALITION FOR PEACE
AND JUSTICE (PCPJ)

The People's Coalition for Peace and Justice (PCPJ) has described itself as being headquartered at New York, New York, and as consisting of over 100 organizations which are using massive civil disobedience to combat racism, poverty, repression and war. PCPJ is a Communist Party, USA - penetrated coalition.

Source further noted that the demonstration proceeded as scheduled behind the papier-mache float to the Union Plaza, January 20, 1973, where several individuals, (including subject) addressed the crowd. One speaker explained the significance of the rat by saying that President NIXON was a rat and that he had a craving for poverty areas and poor people just like rats do.

After subject took the microphone and started to speak, people started to leave as he is not a very effective talker.

The YIP group, on leaving the Plaza area, attempted to join up with the PCPJ march and in doing so, they were confronted by police who insisted that they walk on the sidewalk. Police confiscated the papier-mache rat.

YIP activists, including subject, left the Washington Monument at 3:00 P.M. and returned to their Washington residence. Subject then announced there would be a YIP meeting later in the day for the purpose of assessing the effectiveness of the day's YIP activities.

3. YIP National Conference, Iowa City, Iowa, (April, 1973).

[REDACTED] advised on [REDACTED] that a National YIP Conference was held at Iowa City, Iowa, during period, April 20 - 22, 1973, attended by approximately 35 to 40 people. Subject, who attended, shared leadership role at this conference with an individual from the Columbus, Ohio, YIP chapter.

Sessions for the conference were held at the American Baptist Student Center, 230 North Clifton Street, the Wesley House, and the Day Care Center, 221 Melrose Avenue.

The conference, in part, covered the following topics:

Plans were announced for a 4th annual July 4th "Smoke-in" to be held in Washington, D. C.

Also, BEAL mentioned that YIP was establishing a "Telephone Tree" to act as a communications net among the various local YIP chapters. Organizing on local and state levels was mentioned and most people agreed YIP State Conventions should be organized.

Subject said that New York YIP does not want to become the national committee.

Source noted that the entire conference was extremely disorganized with very little being accomplished. While subject is regarded as a YIP leader, many people question his leadership ability. Source said that on the afternoon of April 22, 1973, subject and his girlfriend left for Madison, to handle personal matters. They planned to return to NYC later.

"The Capital Times," a Madison daily newspaper in issue dated April 25, 1973, carried an article advising in part that subject had returned to Madison, following the Iowa City YIP Conference and he reportedly spoke with people in Madison, regarding a "Smoke-in and Impeach RICHARD NIXON day," to be held in Washington, D. C., July 4, 1973.

The article noted that subject, in speaking about the local Madison trial regarding KARLETON ARMSTRONG, said, "Free Karl. Free the prisoners of weed. Eat the rich." ARMSTRONG, it was noted, is being tried for murder for a death that resulted in the August, 1970 bombing of UW Sterling Hall (UW Army-Mathematics Research Center).

BEAL, said the article, also noted that in early June, YIP groups throughout the United States will "head for the streets to demand that Wisconsin courts free ARMSTRONG."

[redacted] advised on [redacted] that subject was one of the most outspoken people who attended the national YIP conference (chairing many sessions) that was held in Iowa City.

Source noted that during a discussion of the necessity and value of YIP State Conventions at the conference, BEAL commented that these conventions could be a source of recruiting needed new members.

Subject reportedly manicured marijuana at the conference in order that "joints" would be available for conference attendees.

4. Miscellaneous.

[redacted] advised on [redacted] that subject, a national YIP leader and theoretician from NYC, has a current propensity to instigate and direct revolutionary acts of violence.

B. Miscellaneous.

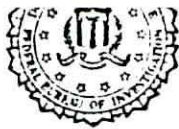

[redacted] advised on [redacted] that on October 30, 1972, a PCPJ rally was held at Hunter College, 68th Street and Park Avenue, NYC, attended by about 500 people (including subject).

Speakers at this rally spoke regarding the anti-war climate in this country. They spoke of the alleged deception practiced by the United States Government regarding the recently announced cease fire and peace proposals. People were encouraged to continue their anti-war activity.

After the meeting ended, about 250 people left to march down Madison Avenue to hold a vigil (anti-war).

This investigation is based on information which indicates that subject is engaged in activities which could involve a violation of Title 18, U. S. Code, 2383 (Rebellion or Insurrection), 2384 (Seditious Conspiracy), 2385 (Advocating Overthrow of the Government), and 2101 (Antiriot Laws).

A reliable source has advised that on [REDACTED] subject was arrested by the Columbus, Ohio Police Department for disorderly conduct, during a demonstration protesting the appearance of Vice President SPIRO T. AGNEW, Columbus, Ohio, on that date.

A second reliable source advised that subject attended a National Youth International Party (YIP) Congress held at Columbus, Ohio, 11/22-25/72, and served as the Chairman, during this meeting.

Youth International Party (YIP) came into existence in 1968 for the purpose of staging a massive youth festival in late 1968, in Chicago, Illinois, to coincide with the Democratic National Convention (DNC). Leaders, in its early history, included JERRY CLYDE RUBIN and ABBOTT HOWARD HOFFMAN, both of whom were convicted (later overturned by U. S. Court of Appeals) of violation of the Antiriot Laws during disturbances at the above 1968 DNC. In 7/70, YIP distributed "YIP Manifesto," which was basically an antiestablishment, revolutionary pronouncement urging the youth of the United States to repudiate competitive enterprise and established institutions in favor of creating a utopian socialistic society permitting complete individual freedom of choice. Since its inception, when issues of considerable radical-revolutionary interest have arisen, YIP has demonstrated its ability to assemble large numbers of zealous individuals for demonstrations and protests, a number of which have resulted in violence and arrests. During a public speech, in 4/72, when referring to the then forthcoming national political conventions, YIP leader, RUBIN, stated, "We will dump the convention into the sea and use other methods than the electoral process to change the United States of America." IRVIN DANA BEAL, leading YIP theoretician and current YIP national leader, stated on 7/14/73, "Everywhere that the fascist pig NIXON shows his face, we will confront him but not necessarily in a non-violent way." On 7/6/73, BEAL was described as having a propensity for instigating and directing revolutionary acts of violence.

Apparently because of prosecutive action taken against RUBIN and HOFFMAN (who have drifted away from the YIP) and others including BEAL, YIP leaders are currently avoiding flamboyant revolutionary public statements. The organization continues, however, to engage in demonstrations during which individual YIP anarchistic activists and leaders advocate violent actions and confrontations with authorities in an attempt to build revolutionary fervor among people. Examples of this activity took place during the 8/72 Republican National Convention (RNC) and the 7/4/73 YIP demonstration in Washington, D. C. During the RNC, THOMAS KING/FORCADE and CINDY ELIZABETH/ORNSTEEN, then members of a YIP faction calling itself YIP-Zippie, were arrested on 8/23/72 in Miami Beach, Florida, and charged with violation of National Firearms Act for possession, unlawful manufacture and nonregistration of fire bombs. Trial judge subsequently rendered a directed verdict of acquittal in this matter based on the ground that no reasonable interpretation could be made bringing the evidence within the scope of the National Firearms Act. YIP is currently headquartered in New York.

with this demonstration. One of the individuals arrested during the demonstration was Irvin Dana Beal, date of birth January 9, 1947, in Ohio.

On [REDACTED] a second confidential source, who has furnished reliable information in the past, advised that Beal arrived in Columbus, Ohio, [REDACTED]

[REDACTED] This source advised that Beal was in Columbus to stand trial for a misdemeanor arrest by the Columbus, Ohio Police Department, in September, 1972.

On [REDACTED], the second confidential source, advised that Beal was convicted of disorderly conduct in Municipal Court, Columbus, Ohio, May 16, 1973, and was sentenced to 10 days in the Columbus Workhouse and fined \$100.00. This second source advised that Beal was presently free on Appeal Bond. [REDACTED]

On [REDACTED] Clerk of Courts Office, City of Columbus, Columbus, Ohio, advised that records of his office show Beal stood a jury trial on May 21, 1973, in Columbus Municipal Court, as a result of his arrest on September 20, 1972, by the Columbus, Ohio Police Department for disorderly conduct. Beal was found guilty by the jury, and sentenced to 10 days in the Franklin County Workhouse and fined \$100.00. He was also directed to pay approximately \$196.00 in court costs. On May 21, 1973, a motion was made by Beal's Defense Attorney for a new trial, however, this motion was subsequently overruled. [REDACTED] advised that he is unable to locate the affidavit for Beal and his office has no record of whether or not Beal served his sentence and paid the fine.

[REDACTED]

[REDACTED]

On [REDACTED] advised that [REDACTED] some persons affiliated with the YIP assembled [REDACTED]

[REDACTED] Dana Beal was one of them.

[REDACTED] advised that on July 4, 1973, between 9:00 AM, and 12:30 PM, about 400 Yippies gathered on the Mall, across from the Smithsonian Institute, Washington, D. C. The Yippies seemed to gather

in the area of 13th and Independence Avenue. The Yippies were awaiting the march and the rally at the United States Capitol Building.

[REDACTED]
[REDACTED] During this time, Dana Beal was located in the area of the Mall.

During the afternoon of July 4, 1973, the Yippies just lounged around the grass on the Mall, smoking marijuana and listening to "several rock" bands. They were in no mood to rally at the U. S. Capitol Building, and were worn out by the heat. During this time, Dana Beal was concerned with leading the "smoke-in" and in trying to get the Yippies together for the march and rally to the U. S. Capitol Building. At approximately 4:30 PM, July 4, 1973, the props to be used during the march and rally arrived by truck, and the Yippie march commenced approximately 5:00 PM. An estimated 600 persons participated in the march, with participants dropping out during the course of the march. After the marchers arrived on the steps of the Capitol, the Yippies jumped into a fountain and some Yippies tore apart the anti-Nixon props. Beal was "freaked-out" and could not get the Yippies to cooperate.

The Yippies listened to various YIP speakers with the general theme of the speeches being the corruptness of the U. S. Government, impeach President Richard M. Nixon, and free the prisoners of weed. The Yippies were cleared from the area of the Capitol steps by the police, at approximately 8:00 PM. No arrests were made during the march and rally.

[REDACTED] advised that on [REDACTED]

Those present at the meeting were angry with Dana Beal and criticized his handling of the "smoke-in". Beal, in turn, criticized the lack of cooperation on the part of the Yippies, and said he would drop out of the Yippies and semi-retire, because he was tired of working from one "action to another".

~~CONFIDENTIAL~~

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED] advised that the YIP Conference was totally disorganized and some of the Yipies attending were "turned off" by the lack of leadership and by the lack of organization. No definite conclusions were made during the conference and no plans were made for any future conferences. No disruptions or violence occurred during the YIP Conference in Columbus.

ADMINISTRATIVE (Continued)

Predication

This investigation is based on information which indicates that subject is engaged in activities which could involve violations of Title 18, U.S. Code 2383 (Rebellion or Insurrection), 2384 (Seditious Conspiracy), 2385 (Advocating Overthrow of the Government) and 2101 (Antiriot Laws).

In [REDACTED] advised that the subject was associated with the Youth International Party, Milwaukee, Wisconsin, Chapter.

Youth International Party (YIP) came into existence in 1968 for the purpose of staging a massive youth festival in late 1968 in Chicago, Illinois, to coincide with the Democratic National Convention (DNC). Leaders, in its early history, included JERRY CLYDE RUBIN and ABBOTT HOWARD HOFFMAN, both of whom were convicted (later overturned by U.S. Court of Appeals) of violation of the Antiriot Laws during disturbances at the above 1968 DNC. In 7/70, YIP distributed "YIP Manifesto", which was basically an antiestablishment, revolutionary pronouncement urging the youth of the United States to repudiate competitive enterprise and established institutions in favor of creating a utopian socialistic society permitting complete individual freedom of choice. Since its inception, when issues of considerable radical-revolutionary interest have arisen, YIP has demonstrated its ability to assemble large numbers of zealous individuals for demonstrations and protests, a number of which have resulted in violence and arrests. During a public speech in 4/72, when referring to the then forthcoming national political conventions, YIP leader RUBIN stated "We will dump the convention into the sea and use other methods than the electoral process to change the United States of America". IRVIN DANA BEAL, leading YIP theoretician and current YIP national leader, stated on 7/14/72, "Everywhere that the fascist pig NIXON shows his face, we will confront

NY 100-172721

ADMINISTRATIVE (Continued)

him but not necessarily in a non-violent way". On 7/6/73, BEAL was described as having a propensity for instigating and directing revolutionary acts of violence.

Apparently because of prosecutive action taken against RUBIN and HOFFMAN (who have drifted away from the YIP) and others including BEAL, YIP leaders are currently avoiding flamboyant revolutionary public statements. The organization continues, however, to engage in demonstrations during which individual YIP anarchistic activists and leaders advocate violent actions and confrontations with authorities in an attempt to build revolutionary fervor among young people. Examples of this activity took place during the 8/72 Republican National Convention (RNC) and the 7/4/73 YIP demonstration in Washington, D.C. During the RNC, THOMAS FORCADE and CINDY ELIZABETH ORNSTEEN, then members of a YIP faction calling itself YIP-Zippie, were arrested on 8/23/72 in Miami Beach, Florida, and charged with violation of National Firearms Act for possession, unlawful manufacture and nonregistration of fire bombs. Trial judge subsequently rendered a directed verdict of acquittal in this matter based on the ground that no reasonable interpretation could be made bringing the evidence within the scope of the National Firearms Act. YIP is currently headquartered in New York.

I. BACKGROUND

Residence and Employment

The subject resides at 9 Bleecker Street, New York (NY), NY, and works on layout for the "Yipster Times" from his residence.

[REDACTED]

The "Yipster Times" is the official newspaper of the Youth International Party (YIP).

YIP, also known as Yippies, is a loosely-knit, anti-establishment, revolutionary youth organization formed in New York City, in January, 1968. In May, 1972, a small faction calling itself YIP-Zippie came into being.

II. ACTIVITIES

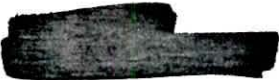

Most of the associates of the YIP were disappointed in the subject because he was so disorganized at the "Smoke-in", which was held by the YIP in Washington, D.C., on July 4, 1973, and as a result the rally at the United States Capitol was ineffective. The subject was late with the sound system and caused a frustrating delay in the rally. Disappointment was expressed in the non-violent nature of the rally. The YIP wanted the subject to direct the violence, but he backed down when violence was imminent, and the violence movement within the YIP dissipated.

[REDACTED]

It was recently learned that the subject will probably be asked to have less leadership in YIP. The subject, A. J. WEBERMAN and TOM FORCADE have had some disagreement, but now appear to be coming together in their ideas.

[REDACTED]

During February, 1973, THOMAS KING FORCADE was indicted by a Federal Grand Jury seated at Miami, Florida, for violation of the National Firearms Act-Possession of Unregistered Firebombs. He was subsequently acquitted of the above charge at a jury trial. FORCADE is currently a leader of the New York City Chapter of YIP and is editor and publisher of the Underground Press Syndicate, a "New Left" publication in New York City.

The Underground Press Syndicate (UPS), founded in New York City in 1967, serves as a clearinghouse for underground newspapers seeking information regarding underground publications and persons affiliated with the radical press.

ALAN JULES WEBERMAN, also known as A. J. WEBERMAN, although not considered a public leader of YIP, is very influential in YIP policy making. WEBERMAN is the person primarily responsible for the YIP publication "Yipster Times".

The subject attended a YIP meeting which was held in Columbus, Ohio, from August 27, 1973 to September 1, 1973.

The subject wants the Yippies to hold state conferences in the future.

[REDACTED]

The Committee to Open the Archives and Examine the Evidence and the New York City YIP-Zippies held a demonstration in Washington, D.C., on November 23, 1973, to promote interest in the reopening of the investigation of the assassination of President KENNEDY. The subject and A. J. WEBERMAN, both of the New York City YIP, organized this demonstration, and both were observed giving speeches. One of the group's demands was that the evidence regarding the assassination of JOHN F. KENNEDY was being held by the KENNEDY family at the Bethesda Hospital and should be returned to the National Archives.

[REDACTED]

[REDACTED], the subject and A. J. WEBERMAN led the discussion on the reasons for the failure of the YIP meeting which was held in Columbus, Ohio, during the last week of August, 1973. It was the consensus that YIP members in Columbus, Ohio, were principally responsible for the failure of the meeting there.

[REDACTED]

[REDACTED]

Weatherman, formerly a faction of Students for a Democratic Society (SDS), controlled the SDS National Office from June, 1969 until its closing in February, 1970. Weatherman then entered an underground status and adopted a tactic of "strategic sabotage", with police and military installations designated as primary targets.

SDS was founded during June, 1962, at Port Huron, Michigan, and in the 1960's functioned as the leading New Left campus-based student organization in the United States. From an initial posture of "participatory democracy", SDS moved to a radical-revolutionary position, with debate centering on how best to create a revolutionary youth movement. Internal factionalism produced a split during the SDS National Convention in June, 1969, which resulted in the following three factions: Weatherman; Worker Student Alliance (WSA); and Revolutionary Youth Movement (RYM). The Weatherman and RYM are no longer affiliated with SDS. The WSA continues to use the name SDS and maintains its national headquarters in Boston, Massachusetts.

[REDACTED] advised that

NY 100-172721

BEAL and WEBERMAN have never been in contact with members of the Weatherman support group in New York City, but have bragged in the past about their "contacts with 'New Left'" individuals in an effort to impress other individuals as to their roles in the "New Left".

BEAL and WEBERMAN are not in contact with the Weatherman Underground.

On 2/20/74, [REDACTED] State of Ohio Court of Appeals, Tenth District, Franklin County, Columbus, Ohio, advised that records of her office show State Court of Appeals Case Number 73AP209 is assigned to IRVIN DANA BEAL. Referenced WFO airtel concerned the possibility that subject may possibly have planned to stay in the Manassas, Virginia, area prior to a YIP action to occur 4/27/74. Although referenced New York airtel indicated this may not be the case, in view of the several former known YIP sympathizers residing in Manassas, contact was immediately established with the Manassas Resident Agent, who in turn put SA [REDACTED] in contact with [REDACTED]

[REDACTED] BEAL's photograph was left with [REDACTED]

Subsequent contacts with [REDACTED] produced no indication that BEAL was at any of the known YIP or narcotics pads in Manassas.

For information of the Bureau and WFO, all of the known YIP followers in the Manassas and Nokesville, Virginia, area, with the exception of one, have been interviewed on at least one occasion and once the true philosophies, or lack thereof, of the YIPPIES have been pointed out to them, and once they have been able to observe these personally, all, without exception, have stated total rejection of the YIPPIE goals.

Beal then asked everyone to meet at the Washington Monument to lead a march to the area where the Vietnam Veterans Against The War/Winter Soldier Organization (VVAW/WSO) was located. Reference is made to your communication dated January 21, 1977, requesting information concerning the above-captioned individuals.

The central files of this Bureau reveal that a confidential source who has furnished reliable information in the past advised that on April 24, 1976, the Youth International Party (YIP) held a closed meeting in New York City for the expressed purpose of formulating plans for the disruption of the 1976 Democratic National Convention (DNC) in New York City. The source further reported that discussion was led by YIP leaders Elliot Cohen, Dana Beal and another individual. It is not known if Cohen and Beal are the same individuals mentioned in the above-referenced communication.

On April 28, 1976, an inquiry was initiated by the FBI to determine [redacted] and Beal's activities in the YIP and their plans for disrupting the DNC. The inquiry revealed that both [redacted] and Beal did not engage in any violent activity nor did they exhibit a propensity for violence.

Beal was also reported to be a leader in ZIPS (political arm of the YIP) and was active in demonstrations in the Summer of 1972 at Miami, Florida, at the DNC and the Republican National Convention. He was also active in antiwar demonstrations in 1972 and in YIP demonstrations in Washington, D.C., and New York City during 1973 and 1974. Beal was also active in publishing the YIP's newsletter "Yipster Times." He has been arrested on at least five occasions from 1964 to 1972 for breaking and entering, disorderly conduct and selling narcotics. He served two months after being convicted in a Federal Court in 1972 for selling narcotics. Beal is assigned FBI Number 108 304 F in our Identification Division.

The YIP, also known as Yippies, is a loosely-knit, anti-establishment, revolutionary youth organization formed in New York City in January, 1968. In May, 1972, a small faction calling itself YIP-Zippie came into being, but currently does not exist as an organized faction of YIP.

Our files further reveal that [REDACTED] was arrested along with other individuals by the Spokane, Washington, Police Department (SWPD). One of the individuals arrested was carrying a flag which the flag bearer stated represented "Anarchy -- no government." The SWPD observed the group of individuals who were arrested assembled on the grounds of Expo 74 chanting, shouting obscenities and giving clenched-fist salutes. A fire broke out where the group was assembled and the SWPD arrested the individuals. [REDACTED]

Dear Sir:

Thank-you, in advance, for the supplemental release of DEA records on YIP etc. Enclosed please find a copy of a notarized statement signed by Dana Beal giving me permission to obtain his files for him. I already sent a copy of this letter to the DEA and they acknowledged my request. I will send another copy of this letter along with a copy of your letter of Jan. 18, 1978 to the DEA. Enclosed also find a notarized statement from Aron Kay authorizing release of any DEA documents on him. The original of this document has been sent to DEA as per your instructions.

In regard to the classified documents and their relation to the CIA it should be understood that:

1. The information originated with Justice and was sent to CIA
2. CIA listed the information in its index and referred requesters to Justice for release.
3. Justice sent information back to CIA and said it was up to them
4. CIA refused to release information

I have enclosed copies from the CIA's document disposition index and a letter from them dated 22 July 1977 to back up these facts. It is clear from the disposition index that the info originated with DEA and was passed-on to CIA.

Dear Mr. Webberman:

This is to advise you that your administrative appeal to the Deputy Attorney General from the action by the Drug Enforcement Administration on your request under the Privacy Act for information from the files of the Department of Justice was received by this Office on April 14, 1978.

This Office has a substantial backlog of pending appeals received prior to yours and a shortage of attorneys. Your appeal has been assigned number 8-0691. Please mention this number in any future correspondence with this Office concerning this specific appeal.

Dear Mr. Weberman:

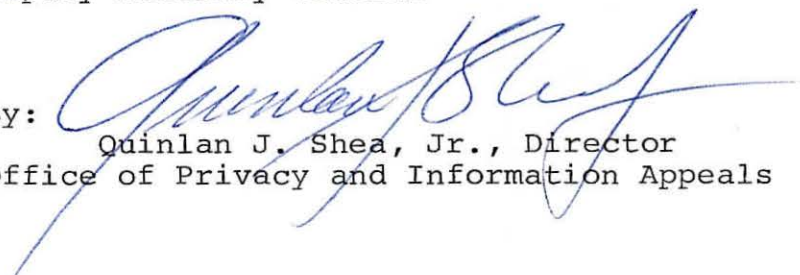

You appealed on behalf of your client, Ervin Dana Beal, from the action of the Federal Bureau of Investigation on his request to the United States Secret Service for access to records pertaining to himself.

After careful consideration of your appeal, I have decided to affirm the initial action in this case. Certain information was properly withheld from your client pursuant to 5 U.S.C. 552(b)(7)(C) and (7)(D). These pertain to investigatory records compiled for law enforcement purposes, the release of which would, respectively, constitute an unwarranted invasion of the personal privacy of third parties by revealing an investigative interest in them on the part of the F.B.I. and disclose the identities of confidential sources. Names of law enforcement personnel were also excised on the basis of 5 U.S.C. 552(b)(7)(C). None of the material being withheld is appropriate for discretionary release.

Judicial review of my action on this appeal is available to your client in the United States District Court for the judicial district in which he resides or has his principal place of business, or in the District of Columbia, which is also where the records you seek are located.

Sincerely,

Dear Mr. Weberman:

You appealed on behalf of Mr. Irvin Dana Beal from the partial denial by Administrator Peter B. Bensinger, Drug Enforcement Administration, of Mr. Beal's request for records pertaining to himself.

As the result of discussions between D.E.A. personnel and a member of my staff, a supplemental release of records will be made to you directly by D.E.A. Certain materials were properly withheld pursuant to 5 U.S.C. 552(b)(2), (7)(A), (7)(C), (7)(D) and (7)(F). These pertain to materials exempted from mandatory release because they relate solely to internal agency administrative practices, or are investigatory records compiled for law enforcement purposes, the release of which would, respectively, interfere with pending investigative activities, constitute unwarranted invasions of the personal privacy of third parties, disclose the identities of confidential sources, or endanger the lives or personal safety of law enforcement personnel. None of the material being withheld is appropriate for discretionary release.

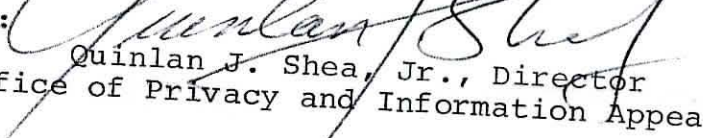

You inquired in your appeal letter about the paucity of information concerning the Youth International Party in D.E.A.'s initial release. I wish to inform you that, other than the documents which have already been located and reviewed, D.E.A. files include no other information about Mr. Beal's relationship with the Youth International Party.

Judicial review of my action on this appeal is available to your client in the United States District Court for the

judicial district in which he resides or has his principal place of business, or in the District of Columbia, which is also where the records he seeks are located.

Dear Mr. Weberman:

We have received your request under the Freedom of Information Act for information pertaining to your client, Irvin Dana Beal. Requests such as yours, which involve the requester's personal file, are handled by this Agency under the provisions of the Privacy Act of 1974 which took effect on 27 September 1975. Please be advised that in contrast to the procedures established for the Freedom of Information Act, there are no fees charged under the Privacy Act. Furthermore, the results of this processing will include all of the material that would normally be available to you under the Freedom of Information Act, and will also include any additional material to which you may be entitled under the Privacy Act.

Since the Privacy Act requires federal agencies to ensure that improper disclosure of personally identifiable information will not be made and further provides criminal penalties for improper disclosure, CIA Privacy Regulations, section 1901.13, sets forth the following requirements for identification of individuals making requests.

An individual seeking access to or notification of the existence of records about himself shall provide in the letter of request his full name, address, date and place of birth together with a notarized statement swearing to or affirming his identity...If such individual is an alien lawfully admitted for permanent residence, his or her alien registration number must be also provided.

Before we may begin processing your request, we must receive from Mr. Beal a notarized statement as explained above. The statement should verify that he is a U.S. citizen or an alien admitted for permanent residence. It is also requested that he provide any additional information concerning himself which might facilitate our search of records. Unless you identify specific records you may be looking for, we will conduct a search of all Agency records that might contain information that pertains to him.

The decision to withhold exempt portions of our records is the responsibility of Clarence M. Kelley, Director of the FBI.

Thereafter, further effort will be made to locate, retrieve and process any such records.

☐ Your request for information concerning yourself has been considered in light of the provisions of both the Freedom of Information Act (FOIA) (Title 5, United States Code, Section 552) and the Privacy Act of 1974 (Title 5, United States Code, Section 552a). It has been determined by the Attorney General that requests by individuals seeking information about themselves are governed by the Privacy Act. In addition, as a matter of administrative discretion, any documents which were found to be exempt from disclosure under the Privacy Act were also processed under the provisions of the FOIA. Through these procedures, you have received the greatest degree of access authorized by both laws.

1. Under provisions of Privacy Act and Freedom of Information Act I wish to appeal determination of Peter Bensinger of the DEA regarding documents on Irvin Dana Beal.
2. This documents contain information regarding his previous drug arrests but do not contain information regarding his relationship with the Youth International Party. For example, one of the documents deals with his arrest by the BNDD at the East Village Other Office on Avenue B although it was known to the BNDD that the old East Village Other office had become the New York Provo office. The New York Provos were the precursors to the New York Youth International Party. When Beal was arrested there were 3,000 people outside the Federal House of Detention yelling FREE DANA BEAL. Why is there no mention of the tremendous community support this so-called "drug-dealer" received?
3. Since Mr. Beal is currently under investigation by the DEA I hope you will speed up processing this request.

OFFICE OF THE DEPUTY ATTORNEY GENERAL

Mr. A. J. Weberman

New York, New York 10012

Dear Mr. Weberman:

You appealed on behalf of Irvin Dana Beal, from the action of the Federal Bureau of Investigation on his request for access to records pertaining to himself.

As a result of discussions between Bureau personnel and members of my staff, a release of records either has been or will soon be made to you directly by the F.B.I. In light of this fact and after careful consideration of your appeal, I have decided to affirm the modified action in this case. Mr. Beal is the subject of one Bureau main file -- Security Matter. Certain of the materials pertaining to him are classified and I am affirming the denial of access to them on the basis of 5 U.S.C. 552(b)(1). These materials have been referred to the Department Review Committee for review and determination whether they warrant continued classification under Executive Order 11652. You will be notified if the Committee's final decision results in the declassification of any information. Other materials were properly withheld from your client pursuant to 5 U.S.C. 552(b)(2), (5), (7)(C), (7)(D) and (7)(E). These pertain to purely internal agency practices, certain inter- and intra-agency communications, and investigatory records compiled for law enforcement purposes, the release of which would, respectively, constitute an unwarranted invasion of the personal privacy of third parties, disclose the identities of confidential sources and disclose certain investigative techniques. Only the names of government personnel were excised on the basis of 5 U.S.C. 552(b)(7)(C). None of the material being withheld is appropriate for discretionary release.

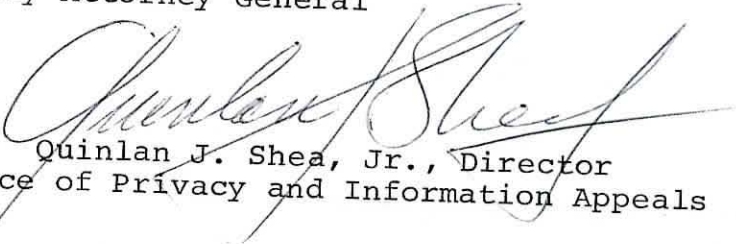

Judicial review of my action on this appeal is available to your client in the United States District Court for the

judicial district in which he resides or has his principal place of business, or in the District of Columbia, which is also where the records you seek are located.

Sincerely,

Benjamin R. Civiletti
Deputy Attorney General

Dear Mr. Weberman:

This is in response to your Freedom of Information-Privacy Acts (FOIPA) requests, on behalf of Irvin Dana Beal, to the Drug Enforcement Administration and the Central Intelligence Agency. We received referrals dated March 8, 1978, and October 23, 1978, regarding FBI documents located in the records of the above-mentioned agencies.

Enclosed are copies of these documents. Excisions have been made from the referred documents and one entire document was withheld in order to protect materials which are exempted from disclosure by the following subsections of Title 5, United States Code, Section 552:

- (b) (1) information which is currently and properly classified pursuant to Executive Order 12065 in the interest of the national defense or foreign policy;
- (b) (7) investigatory records compiled for law enforcement purposes, the disclosure of which would:
 - (C) constitute an unwarranted invasion of the personal privacy of another person;
 - (D) reveal the identity of an individual who has furnished information to the FBI under confidential circumstances or reveal information furnished only by such a person and not apparently known to the public or otherwise accessible to the FBI by overt means.

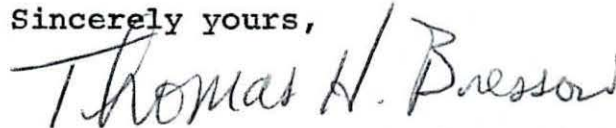

Mr. A. J. Weberman

In addition, some information has been deleted since it does not pertain to you personally and, therefore, is considered to be outside the scope of your request.

One document referred by the Drug Enforcement Administration was previously released to Mr. Beal with our letter of November 1, 1977.

You have thirty days from receipt of this letter to appeal to the Associate Attorney General from any denial contained herein. Appeals should be directed in writing to the Associate Attorney General (Attention: Office of Privacy and Information Appeals), Washington, D. C. 20530. The envelope and the letter should be clearly marked "Freedom of Information Appeal" or "Information Appeal."

Sincerely yours,
